### §33-6-6. Application for insurance as evidence.

- (a) No application for the issuance of any life or accident and sickness insurance policy or contract shall be admissible in evidence in any action relative to such policy or contract, unless a true copy of the application was attached to or otherwise made a part of the policy when issued. This paragraph shall not apply to industrial life insurance policies.
- (b) If any policy of life or accident and sickness insurance delivered in this state is reinstated or renewed, and the insured or the beneficiary or assignee of the policy makes written request, together with in the case of a beneficiary evidence of the beneficiary's vested interest in the policy, to the insurer for a copy of the application, if any, for such reinstatement or renewal, the insurer shall, within thirty days after receipt of such request at its home office or at any of its branch offices, deliver or mail to the person making such request a copy of such application. If such copy is not so delivered or mailed after having been so requested, the insurer shall be precluded from introducing the application in evidence in any action or proceeding based upon or involving the policy or its reinstatement or renewal.
- (c) As to kinds of insurance other than life and accident and sickness insurance, no application for insurance signed by or on behalf of the insured shall be admissible in evidence in any action between the insured and the insurer arising out of the policy so applied for, if the insurer has failed, at expiration of thirty days after receipt by the insurer of written demand therefor by or on behalf of the insured, to furnish to the insured a copy of such application reproduced by any legible means.
