WEST VIRGINIA CODE: §33-61-10

§33-61-10. Applicable law.

To the extent applicable, and when not in conflict with the provisions of this article, the provisions of chapters 31, 31D, 31E, and 33 of this code apply to the company created pursuant to the provisions of this article. If a provision of this article and another provision of this code are in conflict, the provision of this article controls.
