§33-63-4. Disclosures to delivery network drivers.

A delivery network company shall not permit a delivery network driver to accept a request for a delivery or engage in delivery services on a DNC’s digital network until the DNC discloses in writing to the driver:

(1) The insurance coverage, including the types of coverage and the limits for each coverage, that the delivery network company provides while the driver uses a personal vehicle in connection with a delivery network company's digital network; and

(2) That the delivery network driver's own motor vehicle insurance policy might not provide any coverage during the delivery available period, if it applies, or the delivery service period.
