**§37C-1-2. Accumulation and payment of proceeds from production from horizontal wells.**

Notwithstanding any of the other provisions of this article, proceeds from production of oil, natural gas, and natural gas liquids from horizontal wells may be accumulated by the owners, cotenants, lessees, operators, or their agents, contractors, or assigns, until such time as proceeds attributable to any interest owner exceeds \$100 before making a remittance: Provided, That, regardless of the amount of money accumulated, the owners, cotenants, lessees, operators, or their agents, contractors, or assigns shall remit proceeds from horizontal wells attributable to the interest owners not less than once annually: Provided, however, That all accumulated proceeds from horizontal wells shall be paid to the interest owners entitled thereto immediately, or as soon as practicable, upon cessation of production of oil, natural gas, or natural gas liquids or upon relinquishment or transfer of the payment responsibility to another party.

**§37C-1-3. Payments from horizontal wells to be made timely; interest penalties.**

All regular production payments from horizontal wells due and owing to an interest owner shall be tendered in a timely manner, which shall not exceed 120 days from the first date of sale of oil, natural gas, or natural gas liquids is realized and within 60 days thereafter for each additional sale, unless such failure to remit is due to lack of record title in the interest owner, a legal dispute concerning the interest, a missing or unlocatable owner of the interest, or due to conditions otherwise specified in this article. Failure to remit timely payment for horizontal wells shall result in a mandatory additional payment of an interest penalty to be set at the prime rate plus an additional two percent until such payment is made, to be compounded quarterly. The prime rate shall be the rate published on the day of the sale of oil, natural gas, and natural gas liquids in the Wall Street Journal reflecting the base rate on corporate loans posted by at least 75 percent of the nation's 30 largest banks.
