

WEST VIRGINIA CODE: §38-10E-1

§38-10E-1. Debris removal; notice of insurance proceeds; lien of municipality and county.

(a)(1) Notwithstanding any provision of this code to the contrary, the receipt by an insurance company of a claim under a fire insurance policy for a total loss to real property creates a statutory lien on the insurance proceeds payable for such claim in favor of the municipality in which the property is situate or, if the property is located outside a municipality, the county in which the property is situate, in an amount equal to the greater of: (A) \$5,000; or (B) ten percent of the policy limits for loss to the real property, including any coverage for debris removal: Provided, That the amount of the lien may not exceed the policy limits of coverage for the real property plus debris removal, if any: Provided, however, That the lien created by this subsection does not apply to proceeds payable under the policy for any losses other than those to the real property insured, including loss of personal property and payments for temporary housing and related living expenses: Provided, further, That the lien amount imposed against proceeds payable under policies issued by farmers' mutual fire insurance companies pursuant to article twenty-two, chapter thirty-three of this code shall in no event exceed ten percent of the policy limits for loss to the real property, including any coverage for debris removal.

(2) The terms "municipality" and "treasurer" have the same meanings ascribed to them in section two, article one, chapter eight of this code.

(b) Within ten days of a determination by the insurer that a covered claim constitutes a total loss, the insurance company shall send certified letters to the insured and, as applicable, to the treasurer of the municipality in which the property is situate or, if the property is situate outside a municipality, to the sheriff of the county in which the property is situate, stating any amount claimed; the limits and conditions of coverage; the location of the property; the terms and limits of coverage designated by the insurance policy for securing, cleanup and removal, if any; any time limitations imposed on the insured for securing, cleanup and removal; and the policyholder's name and mailing address.

(c)(1) The lien created pursuant to subsection (a) of this section shall be discharged unless the municipality or county, whichever is applicable, within thirty days of the receipt of the letter sent in accordance with subsection (b) of this section, perfects and preserves such lien by filing a notice thereof with the clerk of the county commission of the county in which such property is situate: Provided, That upon filing of a notice of lien in accordance with this subdivision, the amount of the lien created in subsection (a) of this section shall thereafter be for the estimated cost of cleanup contained in such notice of lien, subject to the limitation stated in subsection (a) of this section with respect to policies issued by farmers' mutual insurance companies: Provided, however, That the discharge of a lien based on the municipality's or county's failure to file a notice pursuant to this subdivision does not affect any other remedies the municipality or county may have with respect to such property or the

liability of the property owner.

(2) A notice of lien filed in accordance with this subsection shall include a statement of the estimated cost to the municipality or county for the cleanup of the damaged property, removal of any refuse, debris, remnants or remains of the building and appurtenances, and securing the structure: Provided, That such estimated cost may not exceed the amount of the lien created pursuant to subsection (a) of this section.
