On resignation from, or the revocation or expiration of, the notary public's commission, or on the expiration of the date set forth in the stamping device, the notary public shall disable the stamping device by destroying, defacing, damaging, erasing or securing it against use in a manner that renders it unusable. On the death or adjudication of incompetency of a notary public, the notary public's personal representative or guardian or any other person knowingly in possession of the stamping device shall render it unusable by destroying, defacing, damaging, erasing or securing it against use in a manner that renders it unusable.

(b) Before a notary public performs the notary public's initial notarial act with respect to an electronic record, a notary public shall notify the Secretary of State that the notary public will be performing notarial acts with respect to electronic records and identify the technology the notary public intends to use. If the Secretary of State has established standards for approval of technology pursuant to section twenty-five of this article, the technology must conform to the standards. If the technology conforms to the standards, the Secretary of State shall approve the use of the technology.

§39-4-20. Commission as notary public; qualifications; no immunity or benefit; disposition of fees.

(a) An individual qualified under subsection (b) of this section may apply to the Secretary of State for a commission as a notary public through the Secretary of State's online notary system. (d) On compliance with this section, the Secretary of State shall issue a commission as a notary public to an applicant for a term of five years.

(e) A commission to act as a notary public authorizes the notary public to perform notarial acts. The commission does not provide the notary public any immunity or benefit conferred by law of this state on public officials or employees.

§39-4-21. Grounds to deny, refuse to renew, revoke, suspend, or condition commission of notary public.

(a) The Secretary of State may deny, refuse to renew, revoke, suspend or impose a condition on a commission as notary public for any act or omission that demonstrates the individual lacks the honesty, integrity, competence, or reliability to act as a notary public, including:

- (10) Charging more than the maximum fees specified in section thirty of this article; and
- (11) Failure to notify the Secretary of State of an address or name change pursuant to subsection (b), section twenty-two of this article.

(b) If the Secretary of State denies, refuses to renew, revokes, suspends or imposes conditions on a commission as a notary public, the applicant or notary public is entitled to timely notice and hearing in accordance with article five, chapter twenty-nine-a of this code.

(c) The authority of the Secretary of State to deny, refuse to renew, suspend, revoke or impose conditions on a commission as a notary public does not prevent a person from seeking and obtaining other criminal or civil remedies provided by law.

§39-4-22. Database of notaries public.

- (a) The Secretary of State shall maintain an electronic database of notaries public:
- (1) Through which a person may verify the authority of a notary public to perform notarial acts; and
 - (2) Which indicates whether a notary public has notified the Secretary of State that the notary public will be performing notarial acts on electronic records.
- (b) Not later than thirty days after a notary public either:
- (1) Changes the address of his or her business or residence; or
 - (2) Changes his or her name, the notary public shall notify the Secretary of State of the address or name change.

§39-4-23. Prohibited acts.

- (a) A commission as a notary public does not authorize an individual to:
- (1) Assist persons in drafting legal records, give legal advice or otherwise practice law;
 - (2) Act as an immigration consultant or an expert on immigration matters;
 - (3) Represent a person in a judicial or administrative proceeding relating to immigration to the United States, United States citizenship or related matters; or

- (d) A notary public, other than an attorney licensed to practice law in this state, may not advertise or represent that the notary public may assist persons in drafting legal records, give legal advice, or otherwise practice law.
- (e) If a notary public who is not an attorney licensed to practice law in this state in any manner advertises or represents that the notary public offers notarial services, whether orally or in writing, the notary public shall provide a clear disclaimer that the notary is not authorized to practice law under the following conditions:
- (1) If the form of advertisement or representation is not broadcast media, print media or the internet and does not permit inclusion of a disclaimer as required by subsection (e) because of size, it must be displayed prominently or provided at the place of performance of the notarial act before the notarial act is performed.
 - (2) If the form of advertisement is made through broadcast media, print media or the Internet, the following statement, or an alternate statement authorized or required by the Secretary of State, shall be prominently included in each advertisement or representation: “I am not an attorney licensed to practice law in this state. I am not permitted to draft legal records, give advice on legal matters, including but not limited to, immigration, or charge a fee for those activities”.
- (f) Except as otherwise allowed by law, a notary public may not withhold access to or possession of an original record provided by a person that seeks performance of a notarial act by the notary public.

§39-4-24. Validity of notarial acts.

Except as otherwise provided in subsection (b), section four of this article, the failure of a notarial officer to perform a duty or meet a requirement specified in this article does not invalidate a notarial act performed by the notarial officer. The validity of a notarial act under this article does not prevent an aggrieved person from seeking to invalidate the record or transaction that is the subject of the notarial act or from seeking other remedies based on law of this state other than this article or law of the United States. This section does not validate a purported notarial act performed by an individual who does not have the authority to perform notarial acts.

§39-4-25. Rules.

(a) The Secretary of State may promulgate rules, in accordance with the provisions of chapter twenty-nine-a of this code, to implement this article. Rules promulgated regarding the performance of notarial acts with respect to electronic records may not require, or accord greater legal status or effect to, the implementation or application of a specific technology or technical specification. The rules may:
