WEST VIRGINIA CODE: §4-2A-1

PART I. GENERAL.

§4-2A-1. Implementation of resolutions of citizens legislative compensation commission; definition.

The purpose of this article is to implement from time to time the resolutions submitted by the citizens legislative compensation commission created by section thirty-three, article six of the West Virginia Constitution. For the purposes of this article, the term "regular session" shall include any extension of a regular session of the Legislature.
