

# WEST VIRGINIA CODE: §44B-4-406

## **§44B-4-406. Obligation to pay money.**

(a) An amount received as interest, whether determined at a fixed, variable or floating rate, on an obligation to pay money to the trustee, including an amount received as consideration for prepaying principal, must be allocated to income without any provision for amortization of premium.

(b) A trustee shall allocate to principal an amount received from the sale, redemption or other disposition of an obligation to pay money to the trustee more than one year after it is purchased or acquired by the trustee, including an obligation whose purchase price or value when it is acquired is less than its value at maturity. If the obligation matures within one year after it is purchased or acquired by the trustee, an amount received in excess of its purchase price or its value when acquired by the trust must be allocated to income.

(c) This section does not apply to an obligation to which section four hundred nine, four hundred ten, four hundred eleven, four hundred twelve, four hundred fourteen or four hundred fifteen of this article applies.
