WEST VIRGINIA CODE: §46-9-703

§46-9-703. Security interest perfected before effective date.

- (a) Continuing priority over lien creditor: perfection requirements satisfied. A security interest that is enforceable immediately before this article takes effect and would have priority over the rights of a person that becomes a lien creditor at that time is a perfected security interest under this article if, when this article takes effect, the applicable requirements for enforceability and perfection under this article are satisfied without further action.
- (b) Continuing priority over lien creditor: perfection requirements not satisfied. Except as otherwise provided in section 9-705, if, immediately before this article takes effect, a security interest is enforceable and would have priority over the rights of a person that becomes a lien creditor at that time, but the applicable requirements for enforceability or perfection under this article are not satisfied when this article takes effect, the security interest:
- (1) Is a perfected security interest for two years after this article takes effect;
- (2) Remains enforceable thereafter only if the security interest becomes enforceable under section 9-203 before the second year expires; and
- (3) Remains perfected thereafter only if the applicable requirements for perfection under this article are satisfied before the second year expires.
