

WEST VIRGINIA CODE: §46A-4-104

§46A-4-104. Records; annual reports.

(1) Every licensee shall maintain records in conformity with generally accepted accounting principles and practices in a manner which will enable the commissioner to determine whether the licensee is complying with the provisions of this article. The record-keeping system of a licensee shall be sufficient if he makes the required information reasonably available. The records need not be kept in the place of business where regulated consumer loans are made, if the commissioner is given free access to the records wherever located. The records pertaining to any loan need not be preserved for more than two years after making the final entry relating to the loan, but in the case of a revolving loan account such two-year period is measured from the date of each entry.

(2) On or before February 15 each year, every licensee shall file with the commissioner a composite annual report in the form prescribed by the commissioner relating to all regulated consumer loans made by him and showing in detail the actual financial condition and the amount of the assets and liabilities of such financial institution. The commissioner shall consult with comparable officials in other states for the purpose of making the kinds of information required in annual reports uniform among the states. Information contained in annual reports shall be confidential and may be published only in composite form.
