(c) Fees assessed by a litigation financier may compound semiannually but may not compound based on any lesser time period.

(d) In calculating the annual percentage fee or rate of return, a litigation financier must include all charges payable directly or indirectly by the consumer and must compute the rate based only on amounts actually received and retained by the consumer.

(e) A litigation financier may not assess fees for any period exceeding 42 months from the date of the contract with the consumer.

(f) Litigation financiers shall not enter into an agreement with a consumer that has the effect of incorporating the consumer's obligations to the litigation financier that are contained in the original litigation financing transaction into a subsequent litigation financing transaction.
