WEST VIRGINIA CODE: §46a-6F-217

§46A-6F-217. Inapplicability of article to person soliciting the sale of electric or natural gas energy or related goods or services.

The provisions of this article do not apply to a person soliciting on behalf of an entity that sells electric or natural gas energy, or an affiliate of such an entity, if the solicitation is for the sale of electric or natural gas energy or related goods and services, and the transaction is governed and regulated by the Public Service Commission or the federal energy regulatory commission.
