WEST VIRGINIA CODE: §46a-6G-4

§46A-6G-4. Sale or possession of enabling software prohibited.

No person may sell, give or otherwise distribute or possess with the intent to sell, give or distribute software that:

(1) Is primarily designed or produced for the purpose of facilitating or enabling the falsification of electronic mail transmission information or other routing information;

(2) Has only a limited commercially significant purpose or use other than to facilitate or enable the falsification of electronic mail transmission information or other routing information; or

(3) That is marketed by that person or another acting in concert with that person with that person's knowledge for use in facilitating or enabling the falsification of electronic mail transmission information or other routing information.
