Every person desiring to operate such sterilization process shall first obtain a numbered permit from the commissioner and shall not operate such process unless such permit is kept conspicuously posted in his or her establishment. Application for such permit shall be accompanied by the specifications for the sterilization process to be employed by the applicant, in such form as the commissioner shall require. Such permit shall expire one year from date of issue.

(b) The commissioner may revoke or suspend any permit for violation of the provisions of this article. Upon notification of such revocation or suspension, the person to whom the permit was issued, or his or her successor or assignee, shall forthwith return such permit to the commissioner.

**§47-1A-11. Statements required on tags to be affixed to bedding.**

(1) Every article of bedding made for sale, sold, or offered for sale shall have attached thereto a tag on which is stated the name of the filling material used, that such material used is new or secondhand and, when required to be sterilized, that such material has been sterilized and the number of the sterilization permit. Such tag shall also contain the name and address of the maker or the vendor and the registry number, as hereinafter provided, of the maker.

(2) In the description of the filling material used on any tag attached to an article of bedding, no term or designation intended or likely to mislead shall be used; but where such article contains more than one material, the amount of such materials shall be stated on the tag and there shall be no variance in excess of 10 percent from the amount stated on the tag: Provided, That no variance shall be allowed for filling material which is described as "all", "pure", "100%" or terms of similar import.

(3) A complete secondhand article of bedding which has not been remade or renovated may be sold "as is" without being sterilized, but the original tag shall be removed by the vendor and he or she shall attach a tag stating that the article is secondhand - "contents unknown". This requirement shall not apply to articles sold at public auction, the sale of antique furniture, or to a private sale from the home of the owner direct to the purchaser: Provided, That the exceptions herein stated shall not authorize the sale of an article of bedding that has been exposed to infectious or contagious disease and which, after such exposure, has not been sterilized and approved for use.

(1) Whenever a tag is required by this article, it shall be approved by the commissioner. Tags shall be made of muslin, linen or other material of like durability and shall be the same color stock throughout. Paper-faced tags shall not be used.

Tags attached to mattresses or pillows shall be at least six square inches in area. The commissioner may permit smaller tags or he may require larger tags for other articles. On each tag, there shall be a certification that such article complies with the requirements of law, but such tag also may state that the article complies with the law of any other state.

**§47-1A-13. Commissioner's authority to prohibit sales; tagging bedding or material exposed to disease "unclean."**

(1) The commissioner shall order off-sale, and may so tag, any article of bedding or material therefor, which is not tagged as hereinbefore required or which is tagged with a tag bearing a misleading term, description, designation or statement and no articles or materials placed off-sale or seized by the commissioner, or any duly authorized employee of the bedding division, shall be sold nor shall the contents thereof be altered, interfered with or removed in whole or in part, nor shall the articles or contents thereof be removed from the premises where placed off-sale or seized until such articles or materials are released by the commissioner. All articles or materials placed off-sale or seized shall be subject to frequent examination by the commissioner or his duly authorized inspector. Such articles or materials must be so placed or stored as to be readily accessible at all times and shall be produced for examination upon demand of the commissioner or any such employee made upon the person or persons in charge of the establishment or premises where such articles or materials are placed off-sale or were seized.

(2) If the commissioner or any duly authorized employee of the bedding division shall find any article of bedding or filling material which has been used by or about any person having an infectious or contagious disease, he shall tag such article of bedding or material with a tag bearing the word "unclean" in conspicuous letters. Such tag shall not be removed except by the commissioner or such duly authorized employee.
