

WEST VIRGINIA CODE: §47-21A-13

§47-21A-13. Payment of reasonable expenses from proceeds; net proceeds disbursement.

(a) The reasonable, necessary and actual expenses incurred in connection with the conduct of online raffle occasions, not to exceed 40 percent of the gross proceeds collected during a license period, may be paid out of the gross proceeds of the conduct of the online raffle, including, but not limited to:

(1) Rent paid for the use of any premises: *Provided*, That a copy of the rental agreement was filed with the online raffle license application with any modifications to the rental agreement to be filed within 10 days of being made: *Provided, however*, That in no event may the rent paid for the use of any premises exceed the fair market value of rent for the premises;

(2) The cost to the licensee organization for equipment and supplies used to conduct the online raffle occasion;

(3) The cost to the licensee organization for advertising the online raffle occasion;

(4) The costs involved in the licensee using technology, Internet service providers, servers, or other necessary infrastructure by which to advertise and conduct the online raffle or online raffle occasion;

(5) The costs relating to any platform provider that manages a website software system, web application, method, or process for the purpose of collecting moneys related to the sale of online raffles, securing and safekeeping all moneys collected related to the sale of online raffle tickets, disbursing moneys collected from the sale of online raffle tickets to the licensee before or after the online raffle or online raffle occasion, and conducting licensed online raffles over the Internet.

(b) The actual cost to the licensee for prizes, not to exceed the amounts as specified in §47-21A-11 of the code, may be paid out of the gross proceeds of the conduct of an online raffle.

(c) The licensee shall expend all net online raffle proceeds and any interest earned on the net online raffle proceeds for the purposes stated in the application of an institution of higher education, or for the purposes stated in the application of a charitable or public service organization, within one year after the expiration of the license under which the online raffle occasions were conducted. A licensee which does not qualify as a qualified recipient organization may apply to the commissioner at the time it applies for an online raffle license for permission to apply any or all of its net proceeds to directly support a charitable or public service, or an institution of higher education's athletics department, activity or endeavor which it sponsors.

(d) Gross proceeds from any online raffle occasion may not be devoted or in any manner used by any licensee or qualified recipient organization for the construction, acquisition, or improvement, of real or personal property except that which is used exclusively for one or more charitable or public service purposes or as provided in subsection (a) of this section.

(e) The Tax Commissioner may disapprove any contract for sale of goods or services to any online raffle licensee for use in or with relation to any online raffle operation or occasion, or any lease of real or tangible personal property to any online raffle licensee for use in or with relation to any online raffle operation or occasion, if the contract or lease is unreasonable or not representative of fair market value. Disapproved contracts or leases shall be considered to be in contravention of this article, and are void. Any attempt by any online raffle licensee to engage in transactions under the terms of any disapproved lease or contract is grounds for revocation or suspension of the online raffle license or other charitable raffle license and for refusal by the Tax Commissioner to renew the online raffle license or raffle license.

(f) Any licensee which, in good faith, finds itself unable to comply with the requirements of subsections (a) through (e) of this section shall apply to the commissioner for permission to expend its net proceeds for one or more charitable or public service, or institution of higher education purposes other than that stated in its license application or for permission to expend its net proceeds later than the one-year time period specified in this section. The application shall be on a form furnished by the commissioner and shall include the particulars of the requested changes and the reasons for the changes. The application shall be filed no later than 60 days before the end of the one-year period specified in this section. In the case of an application to extend the time in which the net proceeds are to be expended for a charitable or public service purpose or for an institution of higher education's athletics department purpose, the licensee shall file periodic reports with the commissioner as directed until the proceeds are expended.
