

WEST VIRGINIA CODE: §48-14-207

§48-14-207. Amount to be withheld from income.

Notwithstanding any other provision of this code to the contrary, the amount to be withheld from the disposable earnings of an obligor pursuant to a suggestee execution in accordance with the provisions of this article shall be the same amount which could properly be withheld in the case of a withholding order under the provisions of 14-401, et seq.
