WEST VIRGINIA CODE: §48-15-302

§48-15-302. Denial, nonrenewal, suspension or restriction continues until further order or issuance of certificate of compliance.

The denial, nonrenewal, suspension or restriction of a license ordered by the court shall continue until the Bureau for Child Support enforcement files with the licensing authority either a court order restoring the license or a Bureau for Child Support enforcement certification attesting to compliance with court orders for the payment of current child support and arrearage.
