

# **WEST VIRGINIA CODE: §48-2-107**

## **§48-2-107. Recording an application for a marriage license.**

The clerk of the county commission shall record the application for a marriage license in the register of marriages provided for in section 2-203. The clerk shall note the date of the filing of the application in the register. The clerk's notation, or a certified copy thereof, is legal evidence of the facts contained in the license.
