WEST VIRGINIA CODE: §48-23-506

§48-23-506. Scope of information obtained by the mutual consent voluntary adoption registry.

A mutual consent voluntary adoption registry shall obtain only information necessary for identifying a birth parent or adult adoptee and in no event shall obtain information of any kind pertaining to the adoptive parents, any siblings to the adult adoptee who are children of the adoptive parents, the income of anyone and reasons for adoptive placement.
