

WEST VIRGINIA CODE: §48-9-601

Part 6. Miscellaneous Provisions.

§48-9-601. Access to a child's records.

(a)(1) Each parent has full and equal access to a child's educational records absent a court order to the contrary. Neither parent may veto the access requested by the other parent. Educational records are academic, attendance and disciplinary records of public and private schools in all grades pre-kindergarten through 12 and any form of alternative school. Educational records are any and all school records concerning the child that would otherwise be properly released to the primary custodial parent, including, but not limited to, report cards and progress reports, attendance records, disciplinary reports, results of the child's performance on standardized tests and statewide tests and information on the performance of the school that the child attends on standardized statewide tests; curriculum materials of the class or classes in which the child is enrolled; names of the appropriate school personnel to contact if problems arise with the child; information concerning the academic performance standards, proficiencies, or skills the child is expected to accomplish; school rules, attendance policies, dress codes and procedures for visiting the school; and information about any psychological testing the school does involving the child.

(2) In addition to the right to receive school records, the nonresidential parent has the right to participate as a member of a parent advisory committee or any other organization comprised of parents of children at the school that the child attends.

(3) The nonresidential parent or noncustodial parent has the right to question anything in the child's record that the parent feels is inaccurate or misleading or is an invasion of privacy and to receive a response from the school.

(4) Each parent has a right to arrange appointments for parent-teacher conferences absent a court order to the contrary. Neither parent can be compelled against their will to exercise this right by attending conferences jointly with the other parent.

(b)(1) Each parent has full and equal access to a child's medical records and vital records absent a court order to the contrary. Neither parent may veto the access requested by the other parent. If necessary, either parent is required to authorize medical providers to release to the other parent copies of any and all information concerning medical care provided to the child which would otherwise be properly released to either parent.

(2) If the child is in the actual physical custody of one parent, that parent is required to promptly inform the other parent of any illness of the child which requires medical attention.

(3) Each parent is required to consult with the other parent prior to any elective surgery being performed on the child, and in the event emergency medical procedures are

undertaken for the child which require the parental consent of either parent, if time permits, the other parent shall be consulted, or if time does not permit such consultation, the other parent shall be promptly informed of the emergency medical procedures: *Provided*, That nothing contained herein alters or amends the law of this state as it otherwise pertains to physicians or health care facilities obtaining parental consent prior to providing medical care or performing medical procedures.

(c)(1) Each parent has full and equal access to a child's juvenile court records, process and pleadings, absent a court order to the contrary. Neither parent may veto any access requested by the other parent. Juvenile court records are limited to those records which are normally available to a parent of a child who is a subject of the juvenile justice system.

(2) Each parent has the right to be notified by the other party if the minor child is the victim of an alleged crime, including the name of the investigating law-enforcement officer or agency, if known. There is no duty to notify if the party to be notified is the alleged perpetrator.
