

WEST VIRGINIA CODE: §49-11-101

§49-11-101. Systemic reporting transparency; rulemaking.

The commissioner shall change the existing child welfare data dashboard by July 1, 2023, to report on system-wide issues, including, but not limited to, system-level performance indicators, intake hotline performance indicators, field investigation performance indicators, open case performance indicators, out-of-home placement performance indicators, and federally mandated performance indicators.
