WEST VIRGINIA CODE: §49-2-204

§49-2-204. Situational criteria requiring service.

The services required by this article shall be made available to any dysfunctional family in which there exists an imminent risk of placement of at least one child outside the home as the result of abuse, neglect, dependency or delinquency or any emotional and behavioral problems. Payment for contractual services shall be on a cost-per-family basis. Any renewal of a contract shall be based on performance.
