

WEST VIRGINIA CODE: §49-4-106

§49-4-106. Limitation on out-of-home placements.

Before any child may be directed for placement in a particular facility or for services of a child welfare agency licensed by the department, a court shall make inquiry into the bed space of the facility available to accommodate additional children and the ability of the child welfare agency to meet the particular needs of the child. A court may not order the placement of a child in a particular facility, including status offender facilities operated by the Division of Juvenile Services, if it has reached its licensed capacity or order conditions on the placement of the child which conflict with licensure regulations applicable to the facility promulgated pursuant to article two of this chapter and articles one-a, nine and seventeen, chapter twenty-seven of this code. Further, a child welfare agency is not required to accept placement of a child at a particular facility if the facility remains at licensed capacity or is unable to meet the particular needs of the child. A child welfare agency is not required to make special dispensation or accommodation, reorganize existing child placement, or initiate early release of children in placement to reduce actual occupancy at the facility.
