WEST VIRGINIA CODE: §49-4-112

§49-4-112. Subsidized adoption and legal guardianship; conditions.

(a) From funds appropriated to the Department of Human Services, the secretary shall establish a system of assistance for facilitating the adoption or legal guardianship of children. An adoption subsidy shall be available for children who are legally free for adoption and who are dependents of the department. A legal guardianship subsidy may not require the surrender or termination of parental rights. For either subsidy, the children must be in special circumstances because one or more of the following conditions inhibit their adoption or legal guardianship placement:

(1) They have a physical or mental disability;

(2) They are emotionally disturbed;

(3) They are older children;

(4) They are a part of a sibling group; or

(5) They are a member of a racial or ethnic minority.

(b)(1) The department shall provide assistance in the form of subsidies or services to parents who are found and approved for adoption or legal guardianship of a child certified as eligible for subsidy by the department, but before the final decree of adoption or order of legal guardianship is entered, there shall be a written agreement between the family entering into the subsidized adoption or legal guardianship and the department.

(2) Adoption or legal guardianship subsidies in individual cases may commence with the adoption or legal guardianship placement and will vary with the needs of the child as well as the availability of other resources to meet the child's needs. The subsidy may be for services, money payments, for a limited period, or for a long term, or for any combination of the foregoing.

(3) The specific financial terms of the subsidy shall be included in the agreement between the department and the adoptive parents or legal guardians. The agreement may recognize and provide for direct payment by the department of attorney's fees to an attorney representing the adoptive parent or legal guardian. Any such payment for attorney's fees shall be made directly to the attorney representing the adoptive parent or legal guardian.

(4) The amount of the subsidy may in no case exceed that which would be allowable for the child under foster family care or, in the case of a service, the reasonable fee for the service rendered.

(5) The department shall provide either Medicaid or other health insurance coverage for any

special needs child for whom there is an adoption or legal guardianship assistance agreement, and who the department determines cannot be placed without medical assistance.

(c) The department shall certify the child as eligible for a subsidy to obtain adoption or a legal guardianship if it is in the best interest of the child.

(d) All records regarding subsidized adoptions or legal guardianships are to be held in confidence; however, records regarding the payment of public funds for subsidized adoptions or legal guardianships shall be available for public inspection provided they do not directly or indirectly identify any child or person receiving funds for the child.

(e) A payment may not be made to adoptive parents or legal guardians of child:

(1) Who has attained 18 years of age, unless the department determines that the child has a special need which warrants the continuation of assistance or the child is continuing his or her education or actively engaging in employment;

(2) Who has obtained 21 years of age;

(3) Who has not attained 18 years of age, if the department determines that the adoptive parent or legal guardian is no longer supporting the child by performing actions to maintain a familial bond with the child.

(f) Adoptive parents and legal guardians who receive subsidy payments pursuant to this section shall keep the department informed of circumstances which would, pursuant to §49-4-112(e) of this code, make them ineligible for the payment.
