

## WEST VIRGINIA CODE: §5-16-12a

### §5-16-12a. Inspections; violations and penalties.

(a) Employers and employees participating in any of the Public Employees Insurance Agency plans shall provide, to the director, upon request, all documentation reasonably required for the director to discharge the responsibilities under this article. This documentation includes, but is not limited to, employment or eligibility records sufficient to verify actual full-time employment and eligibility of employees who participate in the Public Employees Insurance Agency plans.

(b) Upon a determination of the director or his or her designated representative that there is probable cause to believe that fraud, abuse or other illegal activities involving transactions with the agency has occurred, the director or his or her designated representative is authorized to refer the alleged violations to the Insurance Commissioner for investigation and, if appropriate, prosecution, pursuant to article forty-one, chapter thirty-three of this code. For purposes of this section, "transactions with the agency" includes, but is not limited to, application by any insured or dependent, any employer or any type of health care provider for payment to be made to that person or any third party by the agency.

(c) The Public Employees Insurance Agency is authorized through administrative proceeding to recover any benefits or claims paid to or for any employee, or their dependents, who obtained or received benefits through fraud. The Public Employees Insurance Agency is also authorized through administrative proceeding to recover any funds due from an employer that knowingly allowed or provided benefits or claims to be fraudulently paid to an employee or dependents.

(d) For the purpose of any investigation or proceeding under this article, the director or any officer designated by him or her may administer oaths and affirmations, issue administrative subpoenas, take evidence, and require the production of any books, papers, correspondences, memoranda, agreements or other documents or records which may be relevant or material to the inquiry.

(1) Administrative subpoenas shall be served by personal service by a person over the age of eighteen, or by registered or certified mail addressed to the entity or person to be served at his or her residence, principal office or place of business. Proof of service, when necessary, shall be made by a return completed by the person making service, or in the case of registered or certified mail, such return shall be accompanied by the post office receipt of delivery of the subpoena. A party requesting the administrative subpoena is responsible for service and payment of any fees for service. Any person who serves the administrative subpoena pursuant to this section is entitled to the same fee as sheriffs who serve witness subpoenas for the circuit courts of this state.

(2) Fees for the attendance and travel of witnesses subpoenaed shall be the same as for

witnesses before the circuit courts of this state. All such fees related to any administrative subpoena issued at the request of a party to an administrative proceeding shall be paid by the requesting party. All requests by parties for administrative subpoenas shall be in writing and shall contain a statement acknowledging that the requesting party agrees to pay such fees.

(3) In case of disobedience or neglect of any administrative subpoena served, or the refusal of any witness to testify to any matter for which he or she may be lawfully interrogated, or to produce documents subpoenaed, the circuit court of the county in which the hearing is being held, or the judge thereof in vacation, upon application by the director, may compel obedience by attachment proceedings for contempt as in the case of disobedience of the requirements of a subpoena or subpoena duces tecum issued from such circuit court or a refusal to testify therein. Witnesses at such hearings shall testify under oath or affirmation.

(e) Only authorized employees or agents shall have access to confidential data or systems and applications containing confidential data within the Public Employees Insurance Agency.
