WEST VIRGINIA CODE: §5-22A-9

§5-22A-9. Scope of project.

(a) The agency, in consultation with the performance criteria developer, shall determine the scope and level of detail required for the performance criteria. The performance criteria must be detailed enough to permit qualified persons to submit proposals in accordance with the request for proposals, given the nature of the public project and the level of design to be provided in the proposal.

(b) The performance criteria developer shall review the program furnished by the agency to ascertain the requirements of the project and shall arrive at a mutual understanding of such requirements with the agency.

(c) Based on the mutually agreed-upon program, schedule and construction budget requirements, the performance criteria developer shall prepare for approval by the agency documents indicating the scale and relationship of project components.
