"The state office building commission of West Virginia", hereto created, shall continue in existence, but on and after the February 9, 1966, shall be known and designated as "The state building commission of West Virginia" and shall continue as a body corporate and as an agency of the State of West Virginia. On and after the date aforesaid, the commission shall consist of the Governor, Attorney General, State Treasurer and four additional members to be appointed by the Governor by and with the advice and consent of the Senate. The terms of office for said members to be appointed by the Governor shall be four years, except that the terms of office of the first four members so appointed by the Governor shall be for one, two, three and four years, respectively. No more than three of such members so appointed by the Governor shall be members of the same political party, nor shall any of said members be members or employees of the executive, legislative or judicial branches of government of West Virginia or any political subdivision thereof. The Governor shall be chairman of the commission. The Secretary of State shall be a member of the commission and serve as its secretary, but shall not have the right to vote upon matters before the commission. Such expenses and per diem shall be paid solely from funds provided under the authority of this article, and the commission shall not proceed to exercise or carry out any authority or power herein given it to bind said commission beyond the extent to which money has been provided under the authority of this article. On or before the fifteenth day of each month, the commission shall prepare and transmit to the President and Minority Leader of the Senate and the Speaker and the Minority Leader of the House of Delegates a report covering the activities of the said commission for the preceding calendar month.

Pursuant to the provisions of article ten, chapter four of this code, the state Building Commission shall continue to exist until July 1, 2000.

§5-6-2. Legislative findings; purpose of revision of article.

(a) The Legislature hereby finds that, with the concurrence of the Legislature, the commission heretofore authorized pursuant to resolution adopted on March 11, 1968, the issuance of "State Building Revenue Bonds, Series 1968," in the aggregate principal amount of \$24,200,000; pursuant to resolution adopted October 14, 1968, the issuance of "State Building Revenue Bonds, Public Safety Series," in the aggregate principal amount of \$2,500,000; and pursuant to resolution adopted on April 13, 1970, the issuance of "State Building Revenue Bonds, Science and Cultural Center Series," in the aggregate principal amount of \$9 million.

(b) The Legislature hereby further finds that the said "State Building Revenue Bonds, Series 1968" were all sold and are now outstanding in the principal amount of \$24,200,000; that the said "State Building Revenue Bonds, Public Safety Series" were all sold and are now outstanding in the principal amount of \$2,500,000; and that said "State Building Revenue Bonds, Science and Cultural Center Series," in the principal amount of \$1,500,000 were sold and are now outstanding.

(c) The Legislature hereby further finds that the proceeds from the issuance and sale of the aforesaid "State Building Revenue Bonds, Series 1968," the aforesaid "State Building Revenue Bonds, Public Safety Series" and the aforesaid "State Building Revenue Bonds, Science and Cultural Center Series" have been expended or obligated in and for construction of or in connection with projects undertaken pursuant to this article, which projects are owned and held in the name of the state or the commission.

(d) The Legislature hereby further finds that the acquisition and construction of the aforesaid projects have been in the best interests of the state by providing additional essential office space and other related structures which are needed for the use of the state, and the officers, departments, agencies and public corporations of the state, and the fulfillment of other public uses and purposes.

(e) The Legislature further finds and declares that the Supreme Court of Appeals of West Virginia has held that the former provisions of this article were unconstitutional to the extent that the same contemplated that the principal of and the interest on bonds issued by the commission would be paid solely from a fund to be created and maintained from general tax revenues of the state.

(f) The Legislature further finds and declares that the amendments made by this act to this article are intended (1) to modify the provisions of this article so as to cause the same to be in full compliance with the provisions of the Constitution of the State of West Virginia, which said court held were violated by the former provisions of this article, and to be in full compliance with said decision of the Supreme Court of Appeals of West Virginia, and (2) to accord statutory recognition to existing rights, legal and equitable, of the holders of bonds heretofore issued by the commission, afford security for the payment of the obligations evidenced thereby and provide a special fund for the payment of the obligations evidenced

thereby.

Subject to the proceedings pursuant to which any bonds outstanding were authorized and issued pursuant to this article, the commission shall pledge the moneys in the special revenue fund, except that part of the proceeds of sale of any bonds to be used to pay the cost of a project and for the payment of the principal of and interest on bonds issued pursuant to this article. The pledge shall apply equally and ratably to separate series of bonds or upon the priorities as the commission shall determine. The bonds shall be authorized by resolution of the commission. The resolution shall recite an estimate by the commission of the cost, and shall provide for the issuance of bonds in an amount sufficient, when sold as provided in this section, to produce the cost, less the amount of any funds, grant or grants, gift or gifts, contribution or contributions received, or in the opinion of the commission expected to be received, from the United States of America or from any other source. The acceptance by the commission of any and all funds, grants, gifts and contributions, whether in money or in land, labor or materials, is hereby expressly authorized. The bonds and interest on the bonds are exempt from taxation by the State of West Virginia, or any county or municipality in the state. The commission may provide for the registration of the bonds in the name of the owners as to principal alone, and as to both principal and interest under the terms and conditions as the commission may determine, and shall sell the bonds in the manner as it may determine to be for the best interest of the state, taking into consideration the financial responsibility of the purchaser, and the terms and conditions of the purchase,

and especially the availability of the proceeds of the bonds when required for payment of the cost of the project. The sale shall be made at a price not lower than a price which, computed upon standard tables of bond values, will show a net return of not more than thirteen percent per annum to the purchaser upon the amount paid for the bonds. The proceeds of the bonds shall be used solely for the payment of the cost of the project for which bonds were issued, and shall be deposited and checked out as provided by section five of this article, and under further restrictions, if any, as the commission may provide. If the proceeds of bonds issued for a project or a specific group of projects exceeds the cost of the project or projects, the surplus shall be paid into the fund provided for in section five of this article for payment of the principal and interest of the bonds. The fund may be used for the purchase of any of the outstanding bonds payable from the fund at the market price, but at not exceeding the price, if any, at which the bonds are in the same year redeemable, and all bonds redeemed or purchased shall be canceled immediately, and shall not again be issued. Prior to the preparation of definitive bonds, the commission may, under like restrictions, issue temporary bonds with or without coupons, exchangeable for definitive bonds upon the issuance of the latter. (b) Notwithstanding anything in this article to the contrary, the commission is authorized to issue bonds, or otherwise finance or refinance the following projects, including the costs of issuance and sale of the bonds or financing, all necessary financial and legal expenses and creation of debt service reserve funds, in an amount not to exceed \$21 million:
