
WEST VIRGINIA CODE CHAPTER 55
ARTICLE 7D

WV Legislature

§55-7D-1. Legislative findings.

The Legislature finds that wholesale and retail food distributors, shipping terminals and other establishments across the state are disposing of food that could be made available to those in need. However, many potential food donors are discouraged from donating this food because of potential liability. The United States Congress has recognized the need to encourage food distributors to make otherwise disposed-of food products available to those in need and has adopted Title 42 United States Code §1791 entitled the "Bill Emerson Good Samaritan Food Donation Act." This federal law encourages state and local governments to enact good samaritan or donor liability limitation laws to encourage private cooperative efforts to provide food for hungry people within their respective jurisdictions. The Legislature finds that this is a worthy goal, and therefore it is appropriate for the state to encourage participation in food donation programs by providing a statutory framework to protect food donators from liability for their good faith efforts.
