WEST VIRGINIA CODE: §55-7F-8

§55-7F-8. Valuation of asbestos trust claims; judicial notice.

- (a) If a plaintiff proceeds to trial in an asbestos action before an asbestos trust claim is resolved, the filing of the asbestos trust claim may be considered as relevant and admissible evidence.
- (b) Trust claim materials that are sufficient to entitle a claim to consideration for payment under the applicable trust governance documents may be sufficient to support a jury finding that the plaintiff may have been exposed to products for which the asbestos trust was established to provide compensation and that such exposure may be a substantial factor in causing the plaintiff's injury that is at issue in the asbestos action.
