

WEST VIRGINIA CODE: §55-7G-7

§55-7G-7. Evidence of physical impairment.

Evidence relating to physical impairment, including pulmonary function testing and diffusing studies, offered in any action governed by this article or article seven-e of this chapter, shall:

- (1) Comply with the quality controls, equipment requirements, methods of calibration and techniques set forth in the AMA's Guides to the Evaluation of Permanent Impairment and all standards set forth in the Official Statements of the American Thoracic Society which are in effect on the date of any examination or pulmonary function testing of the exposed person required by this article;
- (2) Not be obtained and may not be based on testing or examinations that violate any law, regulation, licensing requirement, or medical code of practice of the state in which the examination, test, or screening was conducted, or of this state; and
- (3) Not be obtained under the condition that the plaintiff or exposed person retains the legal services of the attorney or law firm sponsoring the examination, test or screening.
