WEST VIRGINIA CODE: §55-7H-4

§55-7H-4. Medical professional liability insurance for state's medical and dental schools and state medical schools.

The State Board of Risk and Insurance Management shall provide medical professional liability insurance to all of the state's medical and dental schools, state medical school, all of their clinical practice plans and all of their directors, officers, employees, agents and contractors in an amount to be determined by the State Board of Risk and Insurance Management, but in no event less than $1.5 million for each occurrence after July 1, 2015, to increase to account for inflation by an amount equal to the Consumer Price Index published by the United States Department of Labor, up to $2 million for each occurrence. The clinical practice plans shall pay for this insurance. The provision of professional liability insurance is not a waiver of immunity that any of the foregoing entities or persons may have pursuant to this article or under any other law. Any judgment obtained for a medical injury to a patient as a result of health care performed or furnished, or which should have been performed or furnished, by any employee or contractor of a state's medical and dental school, state medical school or clinical practice plan shall not exceed the limits of medical professional liability insurance coverage provided by the State Board of Risk and Insurance Management pursuant to this section.
