If any male inhabitant of the county of the age of eighteen years or more fail to obey such summons, or if any commandant fail to comply with such requisition, the officer shall report the fact to the court from which such process or order issued, which court may, in a summary way, after notice to the person so reported, adjudge him to be fined or imprisoned, or both, as for contempt. §56-3-20. Further liability for failure to make proper return.

A judgment in a prosecution under the preceding section for failure to make proper return of any process or order, or to subscribe the return as aforesaid, shall be no bar to further proceedings if the failure be continued; but there shall be a further forfeiture by the officer, who ought to have made such return, of \$20 for every month subsequent to the judgment that the failure shall continue, until it appear that the return cannot be made; or if it be the case of an execution or warrant of distress, until it appear that the amount thereof has been paid to the party entitled. And where, for want of a return of the first process against a defendant, any subsequent process is issued, if the former was executed, the officer shall not execute the latter, but shall return the former if it be in his possession, and if he has it not, shall return the latter with an indorsement of the execution of the former, and the proceedings thereupon shall be as if the first had been duly returned.

(2) "Nonresident" means any person, other than voluntary unincorporated associations, who is not a resident of this state or a resident who has moved from this state subsequent to engaging in such act or acts, and among others includes a nonresident firm, partnership, or corporation or a firm, partnership, or corporation which has moved from this state subsequent to any of said such act or acts.

(3) "Nonresident plaintiff or plaintiffs" means a nonresident of this state who institutes an action or proceeding in a circuit court in this state having jurisdiction against a nonresident of this state pursuant to the provisions of this section.

(f) The provision for service of process herein is cumulative and nothing herein contained may be construed as a bar to the plaintiff in any action or proceeding from having process in such action served in any other mode or manner provided by the law of this state or by the law of the place in which the service is made for service in that place in an action in any of its courts of general jurisdiction.

(g) This section may not be retroactive and the provisions hereof may not be available to a plaintiff in a cause of action arising from or growing out of any of the acts occurring prior to the effective date of this section.

§56-3-33a. Actions against nonresident persons by petitioners seeking domestic violence or personal safety relief; service of process; authorizing Secretary of State to receive process against nonresidents.

(a) Any person who is:

(1) Not a resident of this state; or

(2) A resident of this state who has left this state; or

(3) A person whose residence is unknown shall be considered to have submitted to the jurisdiction of the courts of this state as to any action arising from the conduct specified in subsection (b) of this section, if such conduct was:

(A) Committed in this state; or

(B) If such conduct was not committed in this state if the conduct was purposely directed at a resident and has an effect within this state.

(b) Conduct compelling application of this section consists of:

(1) Any act constituting domestic violence or abuse as defined in section two hundred two, article twenty-seven, chapter forty-eight of this code; or

(2) Any act constituting a basis for seeking personal safety relief as defined in section four, article eight, chapter fifty-three of this code; or

(3) Any act or omission violating the provisions of a duly authorized protective or restraining order, whether issued by this state or another jurisdiction, for the protection of any person within this state.

(c) Any person subject to or considered to have submitted to the jurisdiction of the courts of this state who is made a respondent in an action may be served with the petition and order initiating such action either:

(1) By law-enforcement officers, wherever the respondent may be found, whether inside or outside the boundaries of this state; or

(2) If the respondent is alleged to have committed conduct specified in subsection (b) of this section, this shall be considered equivalent to an appointment by such nonresident of the Secretary of State, or his or her successor in office, to be his or her true and lawful attorney upon whom may be served all lawful process in any action or proceeding against him or her, in any court in this state, for a cause of action arising from or growing out of such conduct, and the engaging in such conduct is a signification of such nonresident's agreement that any such process against him or her, which is served in the manner hereinafter provided, is of the same legal force and validity as though such nonresident were personally served within

this state.

(A) Such service shall be made by leaving two copies of both the petition and order, with the Secretary of State, or in his or her office, and such service shall be sufficient upon such nonresident: Provided, That notice of such service and a copy of the petition and order shall forthwith be sent by registered or certified mail, return receipt requested, by a means which may include electronic issuance and acceptance of electronic return receipts, by the Secretary of State to the respondent at his or her nonresident address and the respondent's return receipt signed by himself or herself or his or her duly authorized agent or the registered or certified mail so sent by the Secretary of State which is refused by the addressee and which registered or certified mail is returned to the Secretary of State, or to his or her office, showing thereon the stamp of the post-office department that delivery has been refused. After receiving verification from the United States Postal Service that acceptance of the notice, petition and order has been signed, the Secretary of State shall notify the clerk's office of the court from which the petition and order were issued by a means which may include electronic notification. If the notice, petition and order were refused or undeliverable by the United States Postal Service, the Secretary of State shall create a preservation duplicate from which a reproduction of the stored record may be retrieved which truly and accurately depicts the image of the original record. The Secretary of State may destroy or otherwise dispose of the original returned or undeliverable mail. Written notice of the action by the Secretary of State must then be provided by certified mail, return receipt requested, facsimile, or by electronic mail, to the clerk's office of the court from which the process, notice or demand was issued. If any respondent served with a petition and order fails to appear and defend at the time and place set forth in the order, judgment may be rendered against him or her at any time thereafter. The court may order such continuances as may be reasonable to afford the respondent an opportunity to defend the action or proceeding.

(B) As provided in section three hundred eight, article twenty-seven, chapter forty-eight of this code regarding domestic violence proceedings and in section thirteen, article eight, chapter fifty-three of this code regarding personal safety proceedings, no fees may be charged for service of petitions or orders until the matter is brought before the appropriate court for final resolution. Any fees ordinarily remitted to the Secretary of State or to a law-enforcement agency at the time of service shall be deferred and taxed in the costs of the action or proceeding.

(C) Data and records regarding service maintained by law-enforcement agencies and by the office of the Secretary of State for purposes of fulfilling the obligations of this section are not public records subject to disclosure under the provisions of article one, chapter twenty-nine-b of this code.

(1) "Duly authorized agent" means and includes among others a person who, at the direction of or with the knowledge or acquiescence of a nonresident, engages in such act or acts and includes among others a member of the family of such nonresident or a person who, at the residence, place of business or post office of such nonresident, usually receives and receipts for mail addressed to such nonresident.

(2) "Nonresident" means any person who is not a resident of this state or a resident who has moved from this state subsequent to engaging in such acts or acts covered by this section.

§56-3-34. Actions by or against nonresident bail bond enforcement agents or bail bondsmen; appointment of Secretary of State as agents; service of process.

(a) Every nonresident bail bond enforcer or bail bondsman, for the privilege of entering this state to act in the capacity of a bail bond enforcer, either personally or through an agent, appoints the Secretary of State, or his or her successor in office, to be his or her agent or attorney-in-fact upon whom may be served all lawful process in any action or proceeding against him or her in any court of record in this state for any act occurring within this state resulting in injury arising out of any breach of the applicable standard of care with respect to any person other than a defendant whose custody or appearance the bail bond enforcer secures or attempts to secure, or with respect to the property of any person other than a defendant whose custody or appearance the bail bond enforcer secures or attempts to secure; or for enforcement of any civil penalty for breach of a duty imposed by this code with respect to bail bondsmen employing or contracting with bail bond enforcers: Provided, That in the event process against a nonresident defendant cannot be effected through the Secretary of State, as provided by this section, for the purpose only of service of process, the nonresident bail bond enforcer or bondsman shall be deemed to have appointed as his or her agent or attorney-in-fact any insurance company which has a contract of liability insurance for his or her activities.

(b) For purposes of service of process as provided in this section, every insurance company shall be deemed the agent or attorney-in-fact of every nonresident bail bond enforcer or bondsman insured by the company if the insured nonresident bail bond enforcer or bondsman is involved in any bail bond enforcement activity occurring within this state resulting in injury arising out of any breach of the applicable standard of care with respect to any person other than a defendant whose custody or appearance the bail bond enforcer secures or attempts to secure, or with respect to the property of any person other than a defendant whose custody or appearance the bail bond enforcer secures or attempts to secure and service of process cannot be effected upon the nonresident through the office of the Secretary of State. Upon receipt of process as hereinafter provided, the insurance company may, within thirty days, file an answer or other pleading or take any action allowed by law on behalf of the defendant.

(c) A nonresident bail bond enforcer or bail bondsman entering this state, either personally or through an agent, is deemed to acknowledge the appointment of the Secretary of State, or, as the case may be, his or her liability insurance company, as his or her agent or attorney-in-fact, or the agent or attorney-in-fact of his or her administrator, administratrix, executor or executrix in the event the nonresident dies, and furthermore is deemed to agree that any process against him or her or against his or her administrator, administratrix, executor or executrix, which is served in the manner hereinafter provided, shall be of the same legal force and validity as though said nonresident or his or her administrator, administratrix, executor or executrix were personally served with a summons and complaint within this state.

Any action or proceeding may be instituted, continued or maintained on behalf of or against

the administrator, administratrix, executor or executrix of any nonresident who dies subsequent to bail bond enforcement activity in this state by the nonresident or his or her duly authorized agent.

(d) At the time of filing a complaint against a nonresident bail bond enforcer or bondsman who has been involved in bail bond enforcement activity in the State of West Virginia and before a summons is issued thereon, the plaintiff, or someone for him or her, shall execute a bond in the sum of \$100 before the clerk of the court in which the action is filed, with surety to be approved by said clerk, conditioned that on failure of the plaintiff to prevail in the action he or she will reimburse the defendant, or cause the defendant to be reimbursed, the necessary expense incurred in the defense of the action in this state. Upon the issue of a summons the clerk will certify thereon that the bond has been given and approved.

(e) Service of process upon a nonresident defendant shall be made by leaving the original and two copies of both the summons and complaint, together with the bond certificate of the clerk, and the fee required by section two, article one, chapter fifty-nine of this code with the Secretary of State, or in his or her office, and said service shall be sufficient upon the nonresident defendant or, if a natural person, his or her administrator, administratrix, executor or executrix: Provided, That notice of service and a copy of the summons and complaint shall be sent by registered or certified mail, return receipt requested, by the Secretary of State to the nonresident defendant. The return receipt signed by the defendant or his or her duly authorized agent shall be attached to the original summons and complaint and filed in the office of the clerk of the court from which the process is issued. In the event the registered or certified mail sent by the Secretary of State is refused or unclaimed by the addressee or if the addressee has moved without any forwarding address, the registered or certified mail returned to the Secretary of State, or to his or her office, showing thereon the stamp of the post-office department that delivery has been refused or not claimed or that the addressee has moved without any forwarding address, the Secretary of State shall create a preservation duplicate from which a reproduction of the stored record may be retrieved which truly and accurately depicts the image of the original record. The Secretary of State may destroy or otherwise dispose of the original returned or undeliverable mail. Written notice of the action by the Secretary of State must then be provided by certified mail, return receipt requested, facsimile, or by electronic mail, to the clerk's office of the court from which the process, notice or demand was issued. The court may order such continuances as may be reasonable to afford the defendant opportunity to defend the action.

(f) The fee remitted to the Secretary of State at the time of service, shall be taxed in the costs of the proceeding and the Secretary of State shall pay into the State Treasury all funds so coming into his or her hands from the service. The Secretary of State shall keep a record in his or her office of all service of process and the day and hour of service thereof.

(g) In the event service of process upon a nonresident defendant cannot be effected through the Secretary of State as provided by this section, service may be made upon the defendant's insurance company. The plaintiff must file with the clerk of the circuit court an affidavit alleging that the defendant is not a resident of this state; that process directed to the

Secretary of State was sent by registered or certified mail, return receipt requested; that the registered or certified mail was returned to the office of the Secretary of State showing the stamp of the post-office department that delivery was refused or that the notice was unclaimed or that the defendant addressee moved without any forwarding address; and that the Secretary of State has complied with the provisions of subsection (e) of this section. Upon receipt of process the insurance company may, within thirty days, file an answer or other pleading and take any action allowed by law in the name of the defendant.

(4) "Insurance company" means any firm, corporation, partnership or other organization which issues liability insurance.

(i) The provision for service of process herein is cumulative and nothing herein contained shall be construed as a bar to the plaintiff in any action from having process in the action served in any other mode and manner provided by law.
