## **§5B-2B-5. State agencies.**

On or before November 1, any state agency that receives federal or state funding that has been used for workforce investment activities for the past fiscal year shall provide to the board a report, detailing the source and amount of federal, state or other funds received; the purposes for which the funds were provided; the services provided in each regional workforce investment area; the measures used to evaluate program performance, including current and baseline performance data; and any other information requested by the board. All reports submitted pursuant to this section are to be in a form approved by the board.
