WEST VIRGINIA CODE: §5a-4-6

§5A-4-6. Renovation and improvement of capitol building and capitol complex.

(a) It is the intent of the Legislature to provide renovation and improvement of the existing state capitol building and the capitol complex and to direct the secretary of the Department of Administration to plan and make renovations and improvements of the existing state capitol building and the capitol complex for the purpose of reversing deterioration to existing facilities, securing the safety of the general public and state employees, promoting efficiency of governmental operations and enhancing tourism in the state.

(b) There is created in the state Treasury to be administered by the Department of Administration a special fund to be named the "capitol renovation and improvement fund" into which shall be deposited funds that are appropriated and funds from other sources to be used for renovations and improvements of the existing state capitol building and the capitol complex.
