WEST VIRGINIA CODE: §5b-2B-5

§5B-2B-5. State agencies.

On or before November 1, any state agency that receives federal or state funding that has been used for workforce investment activities for the past fiscal year shall provide to the board a report, detailing the source and amount of federal, state or other funds received; the purposes for which the funds were provided; the services provided in each regional workforce investment area; the measures used to evaluate program performance, including current and baseline performance data; and any other information requested by the board. All reports submitted pursuant to this section are to be in a form approved by the board.
