WEST VIRGINIA CODE: §60-3A-19

§60-3A-19. Limitation on amount to be sold.

Not more than ten gallons of liquor may be sold by a retail licensee to a person at one time without the approval of the commissioner or his or her representative, but a sale in excess of ten gallons may be made to a religious organization purchasing wine for sacramental purposes: Provided, That this section does not apply to purchases by private clubs as defined in article seven of this chapter.
