§60-3A-1. Short title.

This article shall be known and may be cited as the "State Retail Liquor License Act".

WV Legislature

§60-3A-2. Legislative findings and declaration; legislative purpose.

(a) The Legislature hereby finds and declares that the sale of liquor at retail should no longer be by the state, but rather by retail licensees; that there is a need for the state to control the wholesale sales of liquor; that the health and welfare of the citizens of this state will be adequately protected by the licensing and control of such retail licensees; that the sale of liquor through retail licensees will satisfy reasonable consumer concerns of availability and price; and that the operation and efficiency of state government will be improved by removing the state from the retail sale of liquor and permitting sales of liquor by retail licensees under licenses issued by the state together with strict enforcement of laws and rules relating to the sale of liquor.

(b) It is the purpose of the Legislature in providing for the retail sale of liquor to:

(1) Continue revenue to the state from the wholesale sale of liquor by requiring all retail licensees to purchase all liquor (other than wine) from the commissioner and by further requiring all private clubs licensed under the provisions of article seven of this chapter to purchase all liquor (other than wine) from retail licensees;

(2) Provide a system of controls, through limitations on the numbers of retail outlets and application of the police power of the state, to discourage the intemperate use of liquor;

(3) Preserve and continue the tax base of counties and municipalities derived from the retail sale of liquor;

(4) Obtain revenue for the state from the issuance of retail licenses;

(5) Facilitate the responsible marketing and growth of existing retail outlets; and

(6) Encourage the sale of liquor in freestanding liquor retail outlets that offer a wide variety of liquor at competitive prices.

§60-3A-2a. Further legislative findings, declarations and purpose.

(a) In addition to the findings and declarations set forth in subsection (a), section two of this article, the Legislature hereby finds and declares that:

(1) The provisions of this article as enacted during the regular session of the Legislature in 1990 were intended to require that all licenses issued for the retail sale of liquor expire as of July 1, 2000, and that the issuance of retail licenses for the ten-year period beginning July 1, 2000, and for each ten-year period thereafter, be based on sealed competitive bids except as provided in section ten-b of this article;

(2) It is the intention of the Legislature to provide that all retail licenses issued beginning July 1, 2000, expire ten years from the date of issuance and that every ten years the issuance of retail licenses be based on competitive bids, except as provided in section ten-b of this article;

(3) The purposes set forth in subsection (b), section two of this article remain the purposes of the Legislature;

(4) Many of those persons who currently hold retail licenses have not only provided the services to the public contemplated by this article, but in many instances have provided employment, invested significant time and money into their businesses and otherwise made substantial contributions to the economic and civic development of the communities in which they conduct business, and therefore, current retail licensees should be afforded special consideration if their bids for the licenses issued for the ten-year period beginning July 1, 2000, and July 1 every ten years thereafter, be unsuccessful;

(5) Those persons who are issued a retail license for the ten-year period beginning on July 1, 2000, and for any ten-year period thereafter should also be afforded special consideration if they operate or seek to operate a freestanding liquor retail outlet or if their bids for a retail license are unsuccessful; and

(6) Further statutory changes are desirable to effect the purposes set forth in subsection (b), section two of this article.

(b) It is, therefore, the further purposes of the Legislature in providing for the retail sale of liquor to:

(1) Require that all licenses issued for the ten-year period beginning July 1, 2000, and for each ten-year period thereafter be based on sealed competitive bids except as provided in section ten-b of this article;

(2) Provide active retail licensees who operate or seek to operate a freestanding liquor retail outlet the opportunity to pay a purchase option for a Class A retail license or licenses for the ten-year period beginning July 1, 2010, and for each ten-year period thereafter;

(3) Provide current retail licensees who, having bid in a manner consistent with the provisions of this article, fail to submit the highest bid for licenses issued for the ten-year period beginning July 1, 2010, and for each ten-year period thereafter an additional opportunity to obtain the license; and

(4) Effect statutory changes to further the purposes provided in this section and section two of this article.

§60-3A-7. Market zones; Class A and Class B retail licenses.

(a) The market zones established by the board for the retail sale of liquor within this state under the enactment of this section in 1990 may not be modified by the board unless authorized by the Legislature. For each market zone established by the board, the commissioner may issue one or more Class A retail licenses and one or more Class B retail licenses within the market zone: Provided, That the number of Class B retail licenses to be issued by the commissioner within a market zone shall not exceed one hundred fifty percent of the number of Class A retail outlets authorized for that market zone, except as otherwise authorized by subsection (d) of this section or section twenty-seven-a of this article: Provided, however, That, except as authorized by subsection (d) of this section or section twenty-seven-a of this article, in a market zone where the number of Class A retail licenses issued by the commissioner is an odd number, the number of Class B retail licenses which may be issued in that market zone shall be rounded up to the next highest whole number following that number which is equal to one hundred fifty percent of the number of Class A retail licenses issued by the commissioner: Provided, That for the ten-year period beginning July 1, 2010, the number of Class B retail licenses which are available for bid in a market zone shall not be less than the number of mixed retail outlets located in that market zone as of October 31, 2009.

(b) When authorizing Class B retail licenses for a market zone, the board may create one or more designated areas within the market zone and authorize one Class B retail license for each designated area. For each market zone, the commissioner may issue additional Class B retail licenses for retail outlets to be located outside any designated area, but the number of additional Class B retail licenses, when added to the total number of Class B retail licenses issued for all designated areas within the market zone, shall not exceed the maximum number of Class B retail licenses permitted under subsection (a) of this section for that market zone, except as authorized by subsection (d) of this section or section twenty-seven-a of this article.

(c) A person may hold one or more Class A retail licenses and one or more Class B retail licenses in a market zone or zones.

(d) Notwithstanding any provision of subsection (a) or (b) of this section, no later than thirty days prior to the receipt of the bids described in section ten-b of this article, the board may authorize the commissioner to issue additional Class B retail licenses in a market zone for the ten-year period which begins next following July 1, where the board determines that:

- (1) Each retail outlet authorized to operate in the market zone has been open and in operation for not less than one year;
- (2) Economic and demographic factors clearly demonstrate the need for an additional retail outlet or outlets within the market zone to meet consumer demand; and
- (3) The issuance of an additional Class B license in the market zone will not significantly

impair the efforts to procure the revenues described in subsection (b), section ten-b of this article.

(e) The board shall establish the minimum bid for any additional Class B retail licenses authorized under subsection (d) of this section.

(f) No person may hold a combination of Class A or Class B retail licenses that, in the aggregate, authorizes the operation of more than thirty percent of the total number of retail outlets authorized under the provisions of this article to operate in this state.

§60-3A-8. Retail license application requirements; retail licensee qualifications.

(a) Prior to or simultaneously with the submission of a bid for a retail license or the payment of a purchase option for a Class A retail license, each applicant shall file an application with the commissioner, stating under oath, the following:

In order to maintain active licensure, any change by a licensee in any manager listed on an application must be made immediately to the commissioner, in order to verify that the new manager meets licensure requirements;

(3) That the applicant and manager have not: (A) Been convicted in this state or any other state of any felony in the five years preceding the date of application; or (B) been convicted of any other crime involving fraud, dishonesty, or deceit in the five years preceding the date of application; or (C) been convicted of any felony in this or any other state court or any federal court for a violation of state or federal alcohol laws. If the applicant is other than an individual, that none of its executive officers, other principal officers, partners, or members, or any person owning, directly or indirectly, at least 20 percent of the outstanding stock, partnership, or other interests in the applicant, has been convicted; and

(4) That the applicant and the manager, each is a United States citizen of good moral character and, if a naturalized citizen, when and where naturalized; and, if a corporation organized and authorized to do business under the laws of this state, when and where incorporated, with the name and address of each officer; that each officer is a citizen of the United States and a person of good moral character; and if a firm, association, partnership, or limited partnership, that each member is a citizen of the United States and, if a naturalized citizen, when and where naturalized, each of whom must sign the application.

(b) An applicant and manager shall provide the commissioner any additional information requested by the commissioner including, but not limited to, authorization to conduct a criminal background and credit records check.

(c) Whenever a change occurs in any information provided to the commissioner, the change shall immediately be reported to the commissioner in the same manner as originally provided.

(d) The commissioner shall disqualify each bid submitted by an applicant under §60-3A-10 of this code and an applicant shall not be issued or eligible to hold a retail license under this article, if the applicant:

(1) Has been, within the five years preceding the date of application: (A) Convicted in this state of any felony; or (B) convicted of a crime involving fraud, dishonesty, or deceit; or (C) convicted of any felony in this or any other state court or any federal court for a violation of state or federal alcohol laws; or

(2) Any executive officer or other principal officer, partner, or member of the applicant, or any person owning, directly or indirectly, at least 20 percent of the outstanding stock, partnership, or other interests in the applicant, has been, within the five years preceding the date of application: (A) Convicted in this state of any felony; or (B) convicted of a crime involving fraud, dishonesty, or deceit; or (C) convicted of any felony in this or any other state court or any federal court for a violation of state or federal alcohol laws.

(e) The commissioner shall not issue a retail license to an applicant which does not hold a license issued pursuant to federal law to sell liquor at wholesale.

§60-3A-9. Investigation of applicants for retail license; notification to applicants approving or denying application; general provisions relating to licensing.

(a) Upon receipt of an application for a retail license and such supplemental information as the commissioner may require, the commissioner may conduct such investigation of an applicant as deemed necessary or desirable.

(b) Upon the completion of any investigation of an applicant, the commissioner shall inform such applicant in writing whether the application has been approved or denied, and shall post a copy of the decision in the commissioner's office.

(c) When an application is denied, the commissioner shall provide the applicant the reasons for the denial, including specific findings of fact, and the applicant shall be entitled to a hearing before the commissioner if a hearing is requested within five days of the decision. Any such hearing shall be held as specified in section twenty-eight of this article, but the decision after hearing shall, notwithstanding the provisions of section twenty-eight, be final and binding and not subject to judicial review.

(d) An applicant shall provide all information required by this article and satisfy all requests for information pertaining to qualification and in the form specified by the commissioner. By filing an application, an applicant shall waive liability for any damages resulting from any disclosure or publication in any manner of any material or information acquired during inquiries, investigations or hearings.

§60-3A-10. Bidding procedure.

(a) Except as provided in section ten-b of this article, bids for licenses shall be governed by the provisions of this section.

(b) The issuance of retail licenses shall be based on sealed competitive bids in accordance with the provisions of this section. Bids for the issuance of retail licenses shall be obtained by public notice published as a Class II-0 legal advertisement in compliance with the provisions of article three, chapter fifty-nine of this code, and the publication area for the publication shall be each market zone within which a retail outlet shall be located. The second publication of the notice shall appear more than thirty days next preceding the final day for submitting bids.

(c) Each bid shall indicate the market zone for which the retail license is sought, whether the bid is for a Class A retail license or Class B retail license, and, if the board has created one or more designated areas for the market zone, whether the bid is for a Class A or Class B retail license to be issued for any designated area. No bid shall be altered or withdrawn after the appointed hour for the opening of the bids. Subject to the provisions of section ten-b of this article, each retail license shall be awarded to the highest bidder. No bid shall be considered unless the bond required under section eleven of this article is submitted to the commissioner. All bids for a retail license may be rejected by the board if the board determines that the highest bid is inadequate, in which event the commissioner shall begin anew the bidding process for that retail license.

(d) Each person desiring to submit a bid shall file the bid with the commissioner prior to the specified date and hour for the bid openings. The failure to deliver or the nonreceipt of a bid prior to the appointed date and hour constitutes sufficient reason for the rejection of a bid. After the award of the retail license, the commissioner shall indicate upon the successful bid that it was the successful bid. Thereafter, a copy of the bid and the bidder's application shall be maintained as a public record, shall be open to public inspection in the commissioner's office and shall not be destroyed without the written consent of the Legislative Auditor.

(e) Prior to the issuance of the retail license to the successful bidder, the bid price and the annual retail license fee, as specified in section twelve of this article, shall be paid to the commissioner by money order, certified check or cashier's check. All retail licenses shall be signed by the commissioner in the name of the state.

(f) If the successful bidder fails to pay to the commissioner the bid price and the annual retail license fee, at the time specified by the commissioner, the bond provided in section eleven of this article shall be forfeited and the bidder shall not be issued the retail license. The commissioner shall then issue the retail license to the next highest bidder for the retail license or reject all bids and start anew the bidding procedure for the retail license.

§60-3A-10a. Preference for resident bidders.

In determining the highest bidder for purposes of section ten of this article, the board shall afford a five percent preference for West Virginia resident bidders, which shall be computed by adding five percent of the bid price to the bid price submitted by each resident bidder. For purposes of this section a bidder shall be considered to be a West Virginia resident if the bidder: (1) Has resided in this state for at least four years immediately prior to the date on which the bid is opened; or, if the bidder is an applicant other than an individual, has had its headquarters or principal place of business in this state for at least four years immediately prior to that date; and (2) meets the requirements set forth in section forty-four, article three, chapter five-a of this code relating to a residency of vendors, except for the requirement of having paid business and occupation taxes.

§60-3A-10b. Bidding procedure for licenses issued for the ten-year period beginning July 1, 2010; purchase options for bids beginning July 1, 2010; and licenses issued for each ten-year period thereafter.

(a) The issuance of retail licenses for the ten-year period beginning July 1, 2010, and for each ten-year period thereafter, shall be based upon sealed competitive bid in accordance with the provisions of section ten of this article except as provided in this section.

(b) Prior to accepting bids for retail licenses to be issued for the ten-year period beginning July 1, 2010, the board shall determine the minimum bid for each license based upon a review of inflation data, demographic data, the sales at each retail outlet permitted to operate under the license and such other factors as the board may determine to generate the revenues from liquor license renewal projected by the Governor's official revenue estimates for fiscal year 2009-2010 as presented to the regular session of the Legislature in 2009.

(c) Prior to accepting bids for retail licenses to be issued for the ten-year periods beginning July 1, 2010, and July 1 every ten years thereafter, the board shall determine the minimum bid for each retail license based upon a review of the sales at each retail outlet permitted to operate under the retail license and such other factors as the board may determine to generate the revenues from retail license renewal projected by the Governor's official revenue estimates for the fiscal year preceding the expiration of the retail licenses.

(d)(1) Notwithstanding any provision of this article to the contrary, prior to accepting bids for retail licenses to be issued for the ten-year period beginning July 1, 2010, and every ten-year period thereafter, each active retail licensee operating or seeking to operate a freestanding liquor retail outlet shall be eligible to purchase a Class A retail license or licenses as provided in this subsection.

(2) At least sixty days prior to accepting bids for retail licenses to be issued for the ten-year period beginning July 1, 2010, and July 1 every ten years thereafter, the board shall provide notice to each eligible retail licensee of his or her option to purchase a Class A retail license or licenses as provided in this subsection. The board shall include with this notice an explanation of the financing option provided in section ten-d of this article and a financing application form prepared by the commissioner.

(3) An eligible retail licensee may elect to pay a purchase option or options for each retail outlet operating under an active retail license currently held by the licensee. A retail licensee may only exercise a purchase option for the lesser of four Class A retail licenses or the number of active retail licenses currently held by the licensee.

(4) Each eligible retail licensee who elects to pay a purchase option shall, within thirty days prior to the acceptance of bids for the ten-year period beginning July 1, 2010, and July 1 every ten years thereafter, pay to the commissioner an amount equal to ten percent over and above the minimum bid as determined by the board for each Class A retail license the retail licensee wishes to purchase or, if the retail licensee elects to take the financing option

provided in section ten-d of this article, a down payment, the amount of which shall be calculated in accordance with the provisions of that section. A retail licensee shall be awarded a Class A retail license or licenses upon the commissioner's receipt of his or her payment or down payment: Provided, That the commissioner determines that the retail licensee is in good standing with the state and meets all other requirements imposed by the provisions of this article for the issuance of a Class A retail license.

(5) A Class A retail license purchased in accordance with this subsection shall be issued for the ten-year period beginning July 1, 2010, or July 1 every ten years thereafter, and shall expire on June 30, 2020, or on June 30 every ten years thereafter.

(6) Nothing in this subsection may be interpreted as affecting the ability of a retail licensee to bid for a retail license or licenses as otherwise provided in this article: Provided, That the retail licensee meets all other requirements imposed by the provisions of this article for the submission of bids.

(e) All bids for a retail license for the ten-year period beginning July 1, 2010, or for any ten-year period thereafter may be rejected by the board if the board determines that the highest bid fails to meet the minimum bid. The board may also reject any or all bids for a market zone where, in the aggregate, the bids for all of the retail licenses in the market zone fail to meet the minimum aggregate bid for that market zone. Where the board determines the highest bid meets or exceeds the minimum bid, the board shall determine whether, at the time of the bid, the same retail license was held for the period ending June 30, 2010, or for any ten-year period thereafter, on June 30 preceding the expiration of the license. If the current retail licensee holding the same retail license at the time of submission of the bid for the period ending June 30, 2010, or for any ten-year period thereafter, on June 30 preceding the expiration of the retail license, submitted a bid that was not less than the minimum bid and is, after considering any preference applicable under the provisions of section ten-a of this article, an unsuccessful bidder for the retail license for the period beginning July 1, 2010, or for any ten-year period thereafter, on July 1 when the retail license expires, the commissioner shall notify the person that upon paying the amount of the highest bid, subject to the provisions of subsection (f) of this section, and upon compliance with all other requirements imposed by the provisions of this article for the issuance of the license, the retail license for the ten-year period beginning July 1, 2010, or for any ten-year period thereafter, shall be issued to the current retail licensee. If, within the time determined by the commissioner, the current retail licensee pays the amount to the commissioner and complies with all other requirements imposed by the provisions of this article for the issuance of the retail license, the retail license for the ten-year period beginning July 1, 2010, or for any ten-year period thereafter, shall be issued to the current retail licensee.

(f) The board shall, in determining the amount a current retail licensee who is an unsuccessful bidder shall pay as described in subsection (e) of this section, afford the unsuccessful bidder a preference. If the unsuccessful bidder is a West Virginia resident as defined in section ten-a of this article, the board shall afford the unsuccessful bidder a five percent preference in addition to the five percent preference afforded under section ten-a of

this article. If the unsuccessful bidder is not a West Virginia resident, the board shall afford the unsuccessful bidder a five percent preference. The preference shall be computed by subtracting the preference percentage of the highest bid price from the highest bid price: Provided, That under no circumstances may the preference bring the price of the bid below the minimum bid established by the board: Provided, however, That a current retail licensee who is not operating any of the retail outlets for which he or she is authorized under the license is not eligible for the preference provided for under this section.

(g) In the event all bids submitted for a retail license fail to meet the minimum bid amount for the license as determined by the board, the board may offer the license for bid again after it determines a new minimum bid amount for the retail license.

§60-3A-10c. Criminal penalties for unlawful inducement.

(a) Any person who gives another person any thing of value to induce the other to refrain from bidding for a retail license is guilty of a misdemeanor and, upon conviction, shall be fined not more than \$10,000, and, in addition, shall be subject to a civil penalty payable to the commissioner of not more than \$1 million.

(b) Any person who gives a person any thing of value to induce the other to refrain from operating an outlet authorized under a retail license is guilty of a misdemeanor and, upon conviction, shall be fined not more than \$10,000, and, in addition, shall be subject to a civil penalty payable to the commissioner of not more than \$1 million.

§60-3A-10d. Financing option for retail licensees purchasing Class A retail licenses.

(a) The commissioner shall offer financing to each retail licensee who elects to pay the purchase option for a Class A retail license or licenses as provided in section ten-b of this article: Provided, That the retail licensee is approved by the commissioner for financing and otherwise complies with the requirements of this section: Provided, however, That the retail licensee agrees to enter a financing agreement with the commissioner as provided in subsection (d) of this section.

(b) The commissioner shall prepare an application form for retail licensees who desire to elect the financing option provided in this section. The commissioner shall make the form available to retail licensees in paper or electronic format at least sixty days prior to the acceptance of bids for the ten-year period beginning July 1, 2010, and July 1 every ten years thereafter. At a minimum, the application form shall require the following information:

(1) Certification that the applicant elects to pay the purchase option for a Class A retail license or licenses as provided in section ten-b of this article;

(2) Certification that the applicant is the current holder and operator of an active retail license issued by the board;

(3) A description of the retail license or licenses currently held by the applicant;

(4) Any information the commissioner requires to evaluate the creditworthiness of the applicant, including without limitation the applicant's authorization to perform a criminal background and credit check; and

(5) Any additional information the commissioner requires to effectuate the purposes of this section.

(c) For an applicant to be considered for financing, the application required under subsection (b) of this section must be submitted to the commissioner with a down payment of fifty percent of the total amount due under the financing agreement provided in subsection (d) of this section no later than May 1, 2010, or, for subsequent retail license periods, May 1 every ten years thereafter. The commissioner shall make a determination as to the eligibility of an applicant for financing and the issuance of a Class A retail license within fifteen days of his or her receipt of the application. If the commissioner determines that an applicant is ineligible for financing, is not in good standing with the state or does not otherwise meet the requirements of this article for the issuance of a Class A retail license, the commissioner shall notify the applicant that his or her application for financing is denied and shall refund in full any moneys paid to the commissioner as a down payment. If the applicant's application for financing is denied for any reason other than the fact that the applicant is not in good standing with the state or is not otherwise eligible for the issuance of a Class A retail license, the commissioner shall provide the applicant the option of paying the full amount of a purchase option for a Class A retail license or licenses as provided in

subsection (d), section ten-b of this article. At the request of the applicant, the commissioner may credit any moneys received as a down payment towards payment of the full amount of a purchase option for a Class A retail license or licenses.

(d) The commissioner is hereby authorized to enter into a financing agreement with each retail licensee meeting the requirements of this section. The financing agreement shall contain such terms and conditions as prescribed by the commissioner, but at a minimum shall contain the following:

(1) The total amount due, including the required down payment, which shall equal ten percent over and above the minimum bid as determined by the board for each Class A retail license the retail licensee wishes to purchase;

(2) The interest to be charged on the total amount due at a rate of the adjusted prime lending rate minus one hundred basis points. The interest rate shall be set on the date the financing is approved by the commissioner;

(3) The total amount due, not including the required down payment, to be payable to the commissioner in monthly or quarterly installments over a period of sixty months. If a retail licensee elects to pay in monthly installments, his or her first payment is due on August 1 and successive payments are due on the first day of each month thereafter until the debt is retired. If a retail licensee elects to pay in quarterly installments, his or her first payment is due on October 1 and successive payments are due on the first day of every third month thereafter until the debt is retired;

(4) The failure of a retail licensee to make a payment in accordance with the terms of the financing agreement shall result in the entire balance of the amount due becoming immediately due and payable to the commissioner and shall result in the forfeiture of the down payment and any moneys paid to the commissioner in accordance with this section; and

(5) The failure of a retail licensee to make a payment in accordance with the terms of the financing agreement within thirty days of the day on which the payment was due shall result in the immediate revocation of the Class A retail license held by the licensee and the commissioner shall reissue the license by sealed competitive bid in accordance with section ten of this article. A retail licensee whose retail license is revoked for failure to make payments as provided in the financing agreement is deemed an unsuitable retail licensee and shall be permanently prohibited from bidding on a retail license under this article.

§60-3A-11. Bonding requirements.

Each applicant submitting a bid under section ten of this article or electing to pay a purchase option for a Class A license or licenses as provided in section ten-b of this article shall furnish to the commissioner a bond at the time of bidding, which bond shall guarantee the payment of twenty-five percent of the price bid or paid for the retail license. The bond required by this section shall be furnished in cash or negotiable securities or shall be a surety bond issued by a surety company authorized to do business with the state or an irrevocable letter of credit issued by a financial institution acceptable to the commissioner. If furnished in cash or negotiable securities, the principal shall be deposited without restriction in the state Treasurer's office and credited to the commissioner, but any income shall inure to the benefit of the applicant. For applicants bidding on a retail license, the bond shall be returned to an applicant following the bidding if such applicant is not the successful bidder for the retail license, and, if an applicant is the successful bidder, the bond shall be released after issuance of the retail license.

§60-3A-12. Annual retail license fee; expiration and renewal of retail licenses.

- (a) The annual retail license period is from July 1 to June 30 of the following year. The annual retail license fee for a Class A or Class B retail license is \$2,000. The annual retail license fee for the initial year of issuance shall be prorated based on the number of days remaining between the date of issuance and the following June 30.
- (b) All retail licenses expire on June 30 of each year and may be renewed only upon the submission to the commissioner of the same information required for the issuance of the license and any additional information requested by the commissioner on the forms and by the date prescribed by the commissioner, together with the payment to the commissioner of the applicable annual retail license fee required under this section.
- (c) No person may sell liquor at any retail outlet if the retail license applicable to the outlet has been suspended or revoked, or has expired.
- (d) All retail licenses issued or renewed under the provisions of this article for the period ending June 30, 2010, or on June 30 for any ten-year period thereafter, expire and are of no further force or effect as of July 1, 2010, or as of July 1 every ten years thereafter.
- (e) Notwithstanding any provision of section eighteen, article four of this chapter to the contrary, a municipality may invoke the authority granted by section four, article thirteen, chapter eight of this code to require an annual license from each retail licensee and require payment for the license in amounts not to exceed the amounts provided in subsection (a) of this section.

§60-3A-13. Annual reports.

(a) Notwithstanding any other provision of this article to the contrary, a licensee or person acting on the licensee's behalf who sells, furnishes, or serves an alcoholic beverage to a person is not thereby liable in a civil action for damages for injury, death, or damage caused by or resulting from the impairment or intoxication of the person who was furnished the alcoholic beverage, including injury or death to other individuals, unless either of the following circumstances apply:

(2) The licensee or person acting on the licensee's behalf knowingly sells, furnishes, or serves alcoholic beverages to a person who was visibly intoxicated at the time the alcoholic beverage was furnished.

(b) Where either of the circumstances set forth in §60-7-12b(a) of this code are met by a preponderance of the evidence, a person or licensee may become liable for injury or damage caused by or resulting from the intoxication of the person when the sale, furnishing, or serving of alcoholic beverages to the person is the proximate cause of the injury or damage.

(c) In determining whether the sale, furnishing, or serving of alcoholic beverages to a person not of legal drinking age is done knowingly, as provided in §60-7-12b(a)(1) of this code, a rebuttable presumption that the alcoholic beverages were not sold, furnished, or served knowingly exists if:

(1) The person selling, furnishing, or serving alcoholic beverages has installed a transaction scan device on its licensed premises and can demonstrate that it requires each employee, servant, or agent to verify the age of any individual to whom alcoholic beverages have been furnished; or,

(2) The person selling, furnishing, or serving alcoholic beverages can demonstrate that it requires each employee, servant, or agent to verify the age of any individual to whom an alcoholic beverage is sold by providing evidence:

(A) That it has developed a written policy which requires each employee, servant, or agent to verify the age of each individual to whom an alcoholic beverage will be sold, furnished, or given away;

(B) That it has communicated this policy to each employee, servant, or agent; and

(C) That it monitors the actions of its employees, servants, or agents regarding the sale, furnishing, or provision without charge of any alcoholic beverage and that it has taken corrective action for any discovered noncompliance with this policy.

(d) For purposes of this section, an intoxicated person of lawful drinking age operating a motor vehicle, an executor or administrator of the intoxicated motor vehicle operator's estate, any person voluntarily riding in a motor vehicle operated by a person known to be intoxicated, or an executor or administrator of any person voluntarily riding in a motor vehicle operated by a person known to be intoxicated, do not have a private cause of action against any licensee, person acting on the licensee's behalf, or owner or lessor of any building of a licensee, for injuries to his or her person or property arising from the actions of the intoxicated driver.

(e) For any cause of action brought pursuant to this section against a licensee or person acting on the licensee's behalf that maintains liquor liability insurance in an amount not less than \$1 million per occurrence and at least \$2 million in the aggregate, a verdict of past medical expenses is limited to \$1 million, and an award of punitive damages may not exceed two times the amount of compensatory damages awarded.

(f) For purposes of this section, these terms are defined as follows:

"Alcoholic beverage" includes alcohol, beer, including nonintoxicating beer and nonintoxicating craft beer, wine, spirits and any other liquid or solid capable of being used as a beverage.

"Visible intoxication" or "visibly intoxicated" means actual evidence of a person's action or series of actions that present objective signs of intoxication. A person's blood alcohol content or the number of alcoholic beverages a person consumes do not constitute prima facie evidence to establish that a person is visibly intoxicated within the meaning of this section but may be admissible as relevant evidence of the person's intoxication.

(g) Notwithstanding any other effective date to the contrary, the amendments to this article, enacted during the 2025 regular legislative session, apply to all cases filed on or after August 1, 2025.

§60-7-12c. Liability of owners or lessors for gross negligence.

(a) A person, and an executor or administrator of the person's estate, who suffers personal injury, death, or property damage as a result of the actions of an intoxicated person do not have a private cause of action against an owner or lessor who rents their building or premises to a licensee or person acting on the licensee's behalf against whom a private cause of action may be brought under §60-7-12b of this code, except when:

(1) The owner and the licensee are the same person, and the licensee violated a provision of §60-7-12b of this code; or

(2) There is clear and convincing evidence that the owner or lessor acted willfully, wantonly, or with gross negligence with respect to the renting of the owner or lessor's building or premises to a licensee or person acting on a licensee's behalf against whom a private cause of action has been brought.

(b) For any cause of action brought under this section in which the trier of fact has determined that punitive damages are to be awarded, the limitations on punitive damages provided in §55-7-29 of this code apply.

(c) Notwithstanding any other effective date to the contrary, the amendments to this article, enacted during the 2025 regular legislative session, apply to all cases filed on or after August 1, 2025.

(2) Suspend the licensee's license;

(3) Place the licensee on probationary status for a period not to exceed 12 months; and

(4) Impose a monetary penalty not to exceed \$1,000 for each violation where revocation is not imposed.

(b) Any monetary penalty assessed and collected by the commissioner shall be transmitted to the State Treasurer for deposit into the State Treasury to the credit of a special revenue fund designated the Alcohol Beverage Control Enforcement Fund, which is hereby continued. All moneys collected, received, and deposited in the Alcohol Beverage Control Enforcement Fund shall be kept and maintained for expenditures by the commissioner for the purpose of enforcement of the statutes and rules pertaining to alcoholic liquor, nonintoxicating beer as set forth in §11-16-1 *et seq.* of this code, hemp-derived cannabinoids as set forth in §19-12E-12 of this code, and kratom as set forth in §19-12F-1 *et seq.* of this code. (c) In addition to the grounds for revocation, suspension, or other sanction of a license set forth in §60-7-13(a) of this code, conviction of the licensee of any offense constituting a violation of the laws of this state or of the United States relating to alcoholic liquor, nonintoxicating beer, or gambling shall be mandatory grounds for such sanctioning of a license. Conviction of the licensee of any violation of the laws of this state or of the United States relating to prostitution, or the sale, possession, or distribution of narcotics or controlled substances, is mandatory grounds for revocation of the licensee's license for a period of at least one year.

(d) A licensee shall notify, in a timely manner, emergency medical services or law enforcement if a licensee knows, or has reason to know, of a life-threatening medical emergency occurring on the licensed premises. In addition to the grounds for revocation, suspension, or other sanction of a license set forth in this section, the commissioner may revoke, suspend, or otherwise sanction a licensee for failing to comply with the provisions of

this section.

(e) If a life-threatening medical emergency occurs on a licensee's private premises requiring notification of emergency medical services or law enforcement under §60-7-13(d) of this code, the licensee shall notify the Alcohol Beverage Control Administration within 48 hours of the emergency's occurrence. The commissioner may revoke, suspend, or otherwise sanction a licensee for failing to comply with the 48-hour notification requirement.

§60-7-13a. Hearing on sanctioning of license; notice; review of action of commissioner; clerk of court to furnish commissioner copy of order or judgment of conviction of licensee; assessment of costs; procedure for appealing any final order of the commissioner which revokes, suspends, sanctions or denies the issuance or renewal of any license issued under this article.

(a) The commissioner may not revoke or suspend a license issued pursuant to this article or impose civil penalties authorized under this article unless and until a hearing is held after at least ten days' notice to the licensee of the time and place of the hearing, which notice shall contain a statement or specification of the charges, grounds or reasons for the proposed contemplated action, and which is served upon the licensee as notices under the West Virginia Rules of Civil Procedure or by certified mail, return receipt requested, to the address for which license was issued. At the time and place, designated in the notice, the licensee has the right to appear and produce evidence in his or her behalf, and to be represented by counsel: Provided, That the commissioner may forthwith suspend the license when the commissioner believes the public safety will be adversely affected by the licensee's continued operation.

Moneys so assessed shall be transferred to the Alcohol Beverage Control Enforcement Fund created by section thirteen of this article.

(c) If, at the request of the licensee or on his or her motion, the hearing is continued and does not take place on the day fixed by the commissioner in the notice of hearing, then the licensee's license may be suspended until the hearing and decision of the commissioner, and in the event of revocation or suspension of the license, upon hearing before the commissioner, the licensee is not permitted to sell alcoholic liquor or nonintoxicating beer pending an appeal as provided by this article. An application to the Supreme Court of Appeals of West Virginia for a writ of error from any final order of the circuit court in the matter shall be made within thirty days from and after the entry of the final circuit court order.

Under no circumstances may the provision of §60-8-20(c) of this code be waived nor may any exception be granted with respect thereto. The commissioner shall propose rules for legislative approval in accordance with §29A-3-1 *et seq.* of this code to implement the provisions of this subsection.

(s)(1) The commissioner may issue a special license for the retail sale of wine in a college or university stadium. The application for the special license shall contain information required by the commissioner and must be submitted to the commissioner at least 30 days prior to the first day when wine is to be sold. The special license may be issued in the name of the National Collegiate

Athletic Association Division I, II, or III college or university or the name of the primary food and beverage vendor under contract with that college or university. (3) The commissioner may propose legislative rules for promulgation in accordance with §29A-3-1 *et seq.* of this code to implement this subsection.

- (e) To operate under this section a wine specialty shop must be in good standing with the commissioner, apply, qualify, pay the Class B license privilege fee, and obtain the permit for the Class B licensee privilege for wine at a designated parking area. The Class B license privilege permit is nonrefundable and a nonprorated annual fee is \$250;
- (f) The licensee is subject to all requirements, penalties, and sanctions of this article.

§60-8-4. Liter tax.

There is hereby levied and imposed on all wine sold after July 1, 2007, by suppliers to distributors, and including all wine sold and sent to persons 21 years of age or older who reside in West Virginia from direct shippers, except wine sold to the commissioner, a tax of twenty-six and four hundred six-thousandths cents per liter. Effective July 1, 2021, hard cider is excepted from this per liter tax and is taxed pursuant to §60-8A-3 of this code.

Before the 16th day of each month thereafter, every supplier, distributor and direct shipper shall make a written report under oath to the Tax Commissioner and the commissioner showing the identity of the purchasing person, the quantity, label and alcoholic content of wine sold by the supplier to West Virginia distributors or the direct shipper to persons 21 years of age or older who reside in West Virginia during the preceding month and at the same time shall pay the tax imposed by this article on the wine sold to the distributor or to persons 21 years of age or older who reside in West Virginia during the preceding month to the Tax Commissioner.

The reports shall contain other information and be in the form required by the Tax Commissioner. For purposes of this article, the reports required by this section shall be considered tax returns covered by the provisions of §11-10-1 *et seq.* of this code. Failure to timely file the tax returns within five calendar days of the 16th day of each month also subjects a supplier, distributor, and direct shipper to penalties under §60-8-18 of this code.

No wine imported, sold, or distributed in this state or sold and shipped to this state by a direct shipper shall be subject to more than one liter tax.

§60-8-5. Refund or credit of taxes.

The Tax Commissioner shall refund, or credit on a subsequent return, any tax which has been erroneously or illegally collected. In the event that a licensee, while the owner of wine on which the tax imposed by this article has been paid, loses such wine through fire or casualty, other than breakage occurring on the premises of the licensee because such wine has been declared by the commissioner to be unfit for sale and the amount of tax paid exceeds \$50, the Tax Commissioner shall refund the tax paid. The commissioner shall promulgate regulations establishing the procedure and nature of proof required in case of any claim for refund or credit.

§60-8-6. License or registration required for sale or shipment of wine; shipment of limited quantities of wine to adult residents permitted.

(a) Except as to the commissioner and except as provided in subsection (b) of this section, no person may offer for sale or sell wine in this state, or offer wine for shipment into this state, except to a distributor who is duly licensed under this article. Every person, whether resident or nonresident in this state, who is engaged in or desires to engage in the sale or shipment of wine to a distributor for resale under this article shall, prior to engaging in such activities, register with the commissioner. If any such person violates the provisions of this article, he shall not be permitted to sell, ship or deliver any wine to a distributor or to the commissioner, or otherwise engage in the wine business in this state for a period of one year from the date a notice is mailed to such person by the commissioner of the fact that such person has violated the provisions of this article. During such one-year period, it shall be unlawful for any distributor within this state to buy or receive wine from such person or to have any dealings with such person with respect thereto. Hearings and appeals on such notices may be had in the same manner as in the case of revocations of licenses under this article.

(b) Notwithstanding the provisions of this chapter or any other law to the contrary, any person or winery that is currently licensed and in good standing in its domicile state as a winery, farm winery, supplier or retailer of wine and who obtains a direct shipper's license from the commissioner, as provided in this chapter, may ship up to a maximum of two cases of wine per month directly to adult West Virginia residents who are twenty-one years of age or over, for such adult resident's personal use and consumption and not for resale. Licensed direct shippers must maintain accurate records of all shipments sent to West Virginia residents. All shipments of wine into West Virginia by licensed direct shippers shall be made by a licensed and bonded shipping carrier. Direct shippers and their carriers shall not ship wine to areas of West Virginia where wine may not be lawfully sold by county, local or municipal law. Any holder of a direct shipper's license must collect all taxes, sales taxes, municipal taxes and the liter tax due to West Virginia, remit all sales, municipal taxes and the liter tax to the Tax Commissioner at the close of each month and file a monthly return reflecting the taxes paid for all sales and shipments to residents in West Virginia. The commissioner shall prescribe the forms to be used to file the monthly returns. The shipping container of any wine sent into or out of this state under this subsection shall be clearly and conspicuously labeled to indicate that the package cannot be delivered to: (1) Any person under the age of twenty-one; (2) to an intoxicated person; or (3) to a person physically incapacitated due to the consumption of nonintoxicating beer, wine or alcoholic liquors or the use of drugs; and (4) the carriers are required to obtain a written or electronic signature upon delivery of an adult resident who the carrier verifies is at least twenty-one years of age or older and if the carrier is not able to obtain a signature of a verified adult resident at least twenty-one years of age or older, then the carrier may not complete the delivery of the wine shipment. Failure of any holder of a direct shipper's license or such licensee's carrier to abide by the provisions of this chapter and the commissioner's rules may subject the direct shipper to the penalties available to the commissioner under section eighteen of this article.

§60-8-6a. Direct shipper's license.

(a) Before sending any shipment of wine to a resident of West Virginia, the direct shipper must first:

(1) File a license application with the commissioner with the appropriate background check information, using forms required by the commissioner. WV Legislature

§60-8-17. License issuance or refusal; terms of license.

(a) Upon receipt of the completed application, fee, and bond if required, the commissioner shall conduct any investigation he or she considers necessary to determine the accuracy of the matters contained in the completed application for the applicant or manager. For the purposes of conducting such investigation, the commissioner may withhold the granting or refusal to grant a license for a period not to exceed 30 days or until the applicant has completed the conditions set forth in §60-8-16 of this code. If it appears that the applicant, and the manager in the application or a licensee and manager in the renewal application, subject to investigation set forth in this section, is a suitable person, is located at a suitable premise, there is no false statement, no material misrepresentations, no hidden ownership, no persons with an undisclosed pecuniary interest contained in the application, and that the issuance of the license would not be in conflict with any of the provisions of this chapter, the commissioner shall issue the license. Otherwise the commissioner shall refuse to issue the license.

(b) The commissioner shall refuse the license of any applicant if he or she finds that any such applicant or manager is not a suitable person, that the place of business of the applicant is not a suitable place, or that the applicant has not complied with the provisions of this chapter. Upon refusal to issue the license, the commissioner shall enter an order refusing such application. The refusal is final unless a hearing is requested in accordance with the provisions of §60-8-18 of this code. When the refusal becomes final the commissioner shall immediately refund to the applicant his or her fees and bond accompanying the application.

(c) The license expires on June 30 next following the date it was issued and may be renewed upon the same showing as required for the issuance of the initial license, together with the payment of fee and filing of any bond required by this article.

(d) A licensee that fails to complete a renewal application and make payment of its annual license fee in renewing its license on or before June 30 of any subsequent year, after initial application, shall be charged an additional \$150 reactivation fee. The licensee must pay the applicable full-year annual license fee and the reactivation fee prior to the processing of any renewal application. A licensee who continues to operate upon the expiration of its license is subject to all fines, penalties, and sanctions available in §11-16-23 of this code, as determined by the commissioner.

(e) The license may not be transferred to another person, but the location of the premises to which the license relates may be changed with the written consent of the commissioner, if the new location satisfies the requirements of this article upon an initial application and payment of a new application fee.

§60-8-18. Revocation, suspension, and other sanctions which may be imposed by the commissioner upon the licensee; procedure for appealing any final order of the commissioner which revokes, suspends, sanctions, or denies the issuance or renewal of any license issued under this article.

(a) The commissioner may on his or her own motion, or shall on the sworn complaint of any person, conduct an investigation to determine if any provisions of this article or any rule promulgated or any order issued by the commissioner has been violated by any licensee. After investigation, the commissioner may impose penalties and sanctions as set forth in this section.

(1) If the commissioner finds that the licensee has violated any provision of this article or any rule promulgated or order issued by the commissioner, or if the commissioner finds the existence of any ground on which a license could have been refused, if the licensee were then applying for a license, the commissioner may:

(A) Revoke the licensee's license;

(B) Suspend the licensee's license for a period determined by the commissioner not to exceed 12 months;

(C) Place the licensee on probation for a period not to exceed 12 months; or

(D) Impose a monetary penalty not to exceed \$1,000 for each violation where revocation is not imposed.

(2) If the commissioner finds that a licensee has willfully violated any provision of this article or any rule promulgated or any order issued by the commissioner, the commissioner shall revoke the licensee's license.

(b) Whenever the commissioner refuses to issue a license, or suspends or revokes a license, places a licensee on probation, or imposes a monetary penalty, he or she shall enter an order to that effect and cause a copy of the order to be served in person or by certified mail, return receipt requested, on the licensee or applicant.

(c) An applicant or licensee, as the case may be, adversely affected by the order has a right to a hearing before the commissioner if a written demand for hearing is served upon the commissioner within 10 days following the receipt of the commissioner's order by the applicant or licensee. Timely service of a demand for a hearing upon the commissioner operates to suspend the execution of the order with respect to which a hearing has been demanded, except an order suspending a license under the provisions of §60-8-29 of this code. The person demanding a hearing shall give security for the cost of the hearing in a form and amount required by the commissioner. If the person demanding the hearing does not substantially prevail in the hearing or upon judicial review thereof as provided in subsections (f) and (g) of this section, then the costs of the hearing shall be assessed against

him or her by the commissioner and may be collected by an action at law or other proper remedy.

(d) Upon receipt of a timely served written demand for a hearing, the commissioner shall immediately set a date for the hearing and notify the person demanding the hearing of the date, time, and place of the hearing, which shall be held within 30 days after receipt of the demand. At the hearing, the commissioner shall hear evidence and thereafter enter an order supporting by findings of facts, affirming, modifying, or vacating the order. Any such order is final unless vacated or modified upon judicial review.

(e) The hearing and the administrative procedure prior to, during, and following the hearing shall be governed by and in accordance with the provisions of §29A-5-1 *et seq.* of this code.

(f) Notwithstanding the provisions of §29A-5-4(b) of this code, an applicant or licensee adversely affected by a final order entered following a hearing has the right to judicial review of the order code in the Circuit Court of Kanawha County or the circuit court in the county where the proposed or licensed premises is located and will or does conduct sales: *Provided*, That in all other respects, the review shall be conducted in the manner provided in Chapter 29A of this code. The applicant or licensee shall file the petition for the review with the circuit court within 30 days following entry of the final order issued by the commissioner. An applicant or licensee obtaining judicial review is required to pay the costs and fees incident to transcribing, certifying, and transmitting the records pertaining to the matter to circuit court.

(g) The judgment of the circuit court reviewing the order of the commissioner is final unless reversed, vacated, or modified on appeal to the Supreme Court of Appeals in accordance with the provisions of §29A-6-1 of this code.

(h) Legal counsel and services for the commissioner in all proceedings in any circuit court and the Supreme Court of Appeals shall be provided by the Attorney General or his or her assistants and in any proceedings in any circuit court by the prosecuting attorney of that county as well, all without additional compensation.

Every supplier offering wine for sale under this article shall register with the commissioner each wine brand offered for sale in the state and shall pay a fee of \$100 for the registration of such wine brand for three years, such fee shall be returned to the supplier if the wine is not registered for sale. No wine brand may be sold under this article unless all of such wine brand's labels intended for sale in the state have been registered and reviewed by the commissioner. Prior to registration of any wine labels, the commissioner shall review the wine labels. This review shall include, but not be limited to, a review of the alcohol content, corporate or product information, marketing and advertising so that the wine label is not intended to be marketed to persons less than twenty-one years of age. The commissioner shall remove all nonrenewed wine labels and any licensee who sells wine with nonrenewed wine labels shall be subject to the penalties under section eighteen of this article. Failure to register, obtain certification and pay the annual fee for a wine brand and failure to register the wine brand's labels will subject the supplier to penalties under said section.

If the licensed distributors and suppliers fail to pay their taxes or otherwise fail to take corrective actions to put the licensed distributors and suppliers in good standing within 30 days from the date of suspension of the licensee's license, then the commissioner shall revoke the licensee's license pursuant to the requirements of this article.

Further, all agreements between a manufacturer, winery, farm winery or supplier and a distributor must be in writing and on file with the commissioner and all such agreements must provide for termination of either party provided that notice of termination is provided in writing and by certified mail to the commissioner and all parties to the agreement ninety days prior to the termination date. Once the notice has been received by either party, the distributor shall: (1) Use the ninety-day period to deplete such distributor's affected wine inventory; or (2) reach some agreement with the manufacturer, winery, farm winery or supplier to return unused salable wine inventory or receive payment for unused salable wine inventory. “Hard Cider” means a type of wine that is derived primarily from the fermentation of apples, pears, peaches, honey, or other fruit, or from apple, pear, peach, or other fruit juice concentrate and water; contains no more than 0.64 grams of carbon dioxide per 100 milliliters; contains at least one half of one percent and less than 12 and one half percent alcohol by volume; and is advertised, labeled, offered for sale, or sold, as hard cider or cider containing alcohol, and not as a wine, wine product, or as a substitute for wine.

§60-8A-2. Applicability of other laws and licenses.

(a) Except as stated in this article, all wine licenses and other wine requirements set forth in §60-8-1 *et seq.*, §60-4-3b, and §60-6-2, of this code, shall apply to the manufacture, distribution, or sale of hard cider. Any person or licensee legally authorized to manufacture, distribute, or sell wine may manufacture, distribute, or sell hard cider in the same manner and to the same persons, and subject to the same limitations and conditions, as such license or legal right authorizes him or her to manufacture, distribute, or sell wine. No additional wine license fees shall be charged for the privilege of manufacturing, distributing, or selling hard cider.

(b) Except as stated in this article, all hard cider distributors are bound by all wine distribution requirements set forth in §60-8-1 *et seq.*, §60-4-3b, and §60-6-2, of this code which shall apply to distribution of hard cider. Any person or licensee legally authorized to distribute hard cider may distribute hard cider in the same manner and to the same persons, and subject to the same limitations and conditions, as a license or legal right would authorize him or her to distribute wine. An additional hard cider license fee shall not be charged for the privilege of distributing hard cider.

§60-8A-3. Taxation; reporting; deposits into Agriculture Development Fund; penalties for failure to file returns; application of state tax law; rulemaking authority.

(a) There is hereby levied and imposed on all hard cider sold on and after July 1, 2021, by wineries, farm wineries, and suppliers to distributors, and including all hard cider sold and sent to persons 21 years of age or older who reside in West Virginia from direct shippers, a tax of 22.6 cents per gallon, in like ratio for any partial gallon or other unit of measure: *Provided*, That wineries, farm wineries, and suppliers eligible for federal tax credits in 26 U.S.C. 5041(c)(1) on hard cider are eligible for the credits in this state against the tax on hard cider. In the case of a person who produces not more than 250,000 wine gallons of hard cider during the calendar year, there shall be allowed as a credit against any tax imposed by this section of 5.6 cents per wine gallon on the first 100,000 wine gallons of hard cider which are removed during such year for consumption or sale and which have been produced at qualified facilities in the United States. That credit shall be reduced by one percent for each 1,000 wine gallons of hard cider produced in excess of 150,000 wine gallons of hard cider during the calendar year. For the purposes of this section, the term "wine gallon" means a United States gallon of liquid measure equivalent to the volume of 231 cubic inches. On lesser quantities, the tax shall be paid proportionately (fractions of less than one-tenth gallon being converted to the nearest one-tenth gallon, and five-hundredths gallon being converted to the next full one-tenth gallon). Hard cider is exempt from the liter tax established under §60-8-4 of this code.

(b) The Tax Commissioner shall deposit, at least quarterly, after deducting the amount of any refunds lawfully paid and any administrative fees authorized by this code, the taxes for the hard cider, pursuant to this section, in the Agriculture Development Fund established by §19-2-12 of this code.

(c) Before the 16th day of each month thereafter, every winery, farm winery, supplier, distributor, and direct shipper shall make a written report under oath to the Tax Commissioner and the commissioner showing the identity of the purchasing person, the quantity, label, and alcoholic content of hard cider sold by the winery, farm winery, and supplier to West Virginia distributors or the direct shipper to persons 21 years of age or older who reside in West Virginia during the preceding month and at the same time shall pay the tax imposed by this article on the hard cider sold to the distributor or to persons 21 years of age or older who reside in West Virginia during the preceding month to the Tax Commissioner.

The reports shall contain other information and be in the form required by the Tax Commissioner. For purposes of this article, the reports required by this section shall be considered tax returns covered by the provisions of §11-10-1 *et seq.* of this code. Failure to timely file the tax returns within five calendar days of the 16th day of each month subjects a winery, farm winery, supplier, distributor, and direct shipper to penalties under §60-8-18 of this code.

(d) No hard cider imported, sold, or distributed in this state or sold and shipped to this state by a direct shipper shall be subject to more than one per-gallon tax on hard cider.

(e) *Administrative procedures.* — Each and every provision of the West Virginia Tax Procedure and Administration Act set forth in § 11-10-1 *et seq.* of this code, applies to the taxes imposed pursuant to this section, except as otherwise expressly provided in this article, with like effect as if that act were applicable only to the taxes imposed by this section and were set forth in extenso in this article.

(f) *Criminal penalties.* — Each and every provision of the West Virginia Tax Crimes and Penalties Act set forth in § 11-9-1 *et seq.* of this code applies to the taxes imposed pursuant to this section with like effect as if that act were applicable only to the taxes imposed pursuant to this article and were set forth in extenso in this article.

(g) The Tax Commissioner may propose legislative rules for legislative approval, pursuant to §29A-3-1 *et seq.* of this code, to implement this section.

§60-8A-4. Fruit sources; phase in; applications.

(a) On and after July 1, 2021, pursuant to §60-3-25 of this code, any farm winery attempting to manufacture hard cider may apply to the Agriculture Commissioner with a copy to the commissioner showing its inability to obtain 75 percent of the apples, pears, peaches, honey, or other fruits necessary to produce its hard cider from within this state. The Agriculture Commissioner may issue a permit to the applicant to import such fruit, honey, or fruit juice concentrate in an amount determined necessary by the Agriculture Commissioner to allow the farm winery to produce hard cider within the percentage established by §60-1-5a of this code.

(b) The burden of proof is on the applicant to show that apples, pears, peaches, honey, or other fruits, of the type normally used by the licensee are not available from any other source within the State of West Virginia. The commissioner shall not consider an application for a permit under this section unless it is accompanied by written findings by the Agriculture Commissioner in support of the application.

(c) Notwithstanding any provision in §60-3-25 of this code, to the contrary, any permit issued under this section is effective for a period of up to three years: *Provided*, That the applicant files an annual statement of necessity, supported by written findings from the Agriculture Commissioner, with the commissioner. After the five-year permit issued pursuant to this section has expired, the applicant shall submit any subsequent application for a permit pursuant to §60-3-25 of this code.

A licensed winery or farm winery providing samples shall provide food, which may be pre-packaged food not requiring kitchen preparation, items to the patron consuming the samples; and prior to any sampling, verify, using proper identification, that the patron sampling is 21 years of age or older and that the patron is not noticeably or visibly intoxicated. If approved, an authorized winery or farm winery may conduct on-premises and off-premises consumption sales of their hard cider from a designated booth at the private fair and festival as set forth in §60-7-8a of this code. All authorized and approved wineries and farm wineries' on-premises and off-premises consumption sales of hard cider shall comply with all retail requirements in §60-8-1

et seq. of this code and §60-8A-1 *et seq.* of this code, and specifically with respect to all markups, taxes, and fees. Additionally, an authorized winery or farm winery may provide, sell, and serve hard cider samples in the amounts set forth in subsection(b) of this section, hard cider by the glass or drink, or hard cider by the bottle when consumed by the glass of its hard cider for on-premises consumption to patrons who are 21 years of age and older and who are not intoxicated.

(d) Payment of taxes and fees. — A licensed winery or farm winery under this section shall pay all taxes and fees required of licensed wine retailers, in addition to any other taxes and fees required, and meet applicable licensing provisions as required by law and by rule of the commissioner.

(g) Fee. — There is no additional fee for a licensed winery or farm winery authorized under §60-8-6c of this code, to sell wine growlers, if a winery or farm winery only desires to sell hard cider in the wine growler, and no other wine, then the annual non-prorated and nonrefundable license fee is \$50.
