

# WEST VIRGINIA CODE: §60a-3-304

## **§60A-3-304. Suspension or revocation of registration generally.**

(a) A registration under section 303 to manufacture, distribute, or dispense a controlled substance may be suspended or revoked by the said state Board of Pharmacy or said appropriate department, board, or agency, as the case may be, upon a finding that the registrant:

(1) Has furnished false or fraudulent material information in any application filed under this act;

(2) Has been convicted of a felony under any state or federal law relating to any controlled substance; or

(3) Has had his federal registration suspended or revoked to manufacture, distribute, or dispense controlled substances.

(b) The said state Board of Pharmacy or said appropriate department, board, or agency, as the case may be, may limit suspension or revocation of a registration to the particular controlled substance with respect to which grounds for suspension or revocation exist.

(c) If the said state Board of Pharmacy or said appropriate department, board, or agency, as the case may be, suspends or revokes a registration, all controlled substances owned or possessed by the registrant at the time of suspension or the effective date of the revocation order may be placed under seal. No disposition may be made of substances under seal until the time for taking an appeal has elapsed or until all appeals have been concluded unless a court, upon application therefor, orders the sale of perishable substances and the deposit of the proceeds of the sale with the court. Upon a revocation order becoming final, all controlled substances may be forfeited to the state.

(d) The said state Board of Pharmacy or said appropriate department, board, or agency, as the case may be, shall promptly notify the bureau of all orders suspending or revoking registration and all forfeitures of controlled substances.
