WEST VIRGINIA CODE: §61-3E-13

§61-3E-13. Legislative findings.

The Legislature hereby finds and declares that the seizure and use of items under the provisions of this article is not contemplated to be a forfeiture as the same is used in section five, article XII of the Constitution of West Virginia and to the extent that such seizure and use may be found to be such a forfeiture, the Legislature hereby finds and declares that the proceeds from a seizure and use under this article is not part of net proceeds as the same is contemplated by section five, article XII of the Constitution of West Virginia.
