
WEST VIRGINIA CODE CHAPTER 62
ARTICLE 16

WV Legislature

§62-16-1. Short title.

This may be cited as the Military Service Members Court Act.

WV Legislature

§62-16-2. Legislative findings.

(a)(1) The Legislature recognizes that while most veterans are strengthened by their military service, the combat experiences of many veterans have unfortunately left a growing number of veterans who suffer from issues such as Post Traumatic Stress Disorder and traumatic brain injury. A growing body of research shows that one in five veterans will have symptoms of a mental illness, mental health disorder, or cognitive impairment. One in six veterans who served in either Operation Enduring Freedom or Operation Iraqi Freedom suffer from substance abuse and related issues. As a result, many veterans have found themselves in the criminal court system charged with crimes which may be directly attributable to these service-related issues.

(2) The Legislature further recognizes that a Military Service Members Court is necessary to link veterans with the programs, benefits, and services that are necessary to help them overcome these issues and provide them with rehabilitation services instead of incarceration.

(3) Given the context of veteran life, especially given their past training and experiences in the Armed Forces, it is reasonably anticipated and likely that military service members would respond favorably to a structured environment. The Military Service Members Court is a professional, structured, and monitored program which mandates and provides participant accountability and responsibility, including mandatory court appearances, treatment, and counseling sessions, as well as frequent and random testing for drug and alcohol use. However, the Legislature also finds that some may still struggle. Those are the veterans who need the structure and support of a Military Service Members Court program the most. Without the structure of a Military Service Members Court program mentally ill and challenged veterans may well reoffend, remain in the criminal court system, and suffer under the emotional, physical, and mental yoke of substance abuse.

(4) The Legislature creates the Military Service Members Court to ensure that these veterans in need are able meet their obligations to themselves, their family, their loved ones, the court, and their community.

Each Military Service Members Court may be a stand-alone court or operated in conjunction with an existing drug court or other specialty court program. The Supreme Court of Appeals is further encouraged to give deference to circuits or regions in the operation of those programs to maximize flexibility, and to take into account regional and other differences and circumstance.

(d) A court may offer pre-adjudication or post-adjudication programs for adult offenders.

(e) Nothing contained in this article confers a right or an expectation of a right to participate in a court program nor does it obligate a court to accept every military service member offender.

(f) Neither the establishment of a Military Service Members Court nor anything in this article may be construed as limiting the discretion of the prosecuting attorney to act on any criminal case which he or she determines advisable to prosecute.

(g) Funding. — Each Military Service Members Court, with the guidance of the Supreme Court of Appeals, may establish a schedule for the payment of reasonable fees and costs to be paid by participants necessary to conduct the program.

(i) Immunity from liability. — Any person who, in good faith, provides services pursuant to this article is not liable in any civil action, unless his or her actions were the result of gross negligence or willful misconduct. The grant of immunity provided in this section extends to all employees and administrative personnel of a court.

§62-16-5. Eligibility; written agreement.

(a) *Eligibility.* — A military service member offender, who is eligible for probation based upon the nature of the offense for which he or she has been charged, and in consideration of his or her criminal background, if any, may, upon application, be admitted into a court program only upon the agreement of the prosecutor and the offender. Additionally, the court must also determine whether the offense is in any way attributable to the offender's military service.

(b) A military service member offender may not participate in the court program if he or she has been charged with any of the following offenses:

- (1) A sexual offense, including, but not limited to, a violation of the felony provisions of §61-8-1 *et seq.*, §61-8B-1 *et seq.*, §61-8C-1 *et seq.*, or §61-8D-1 *et seq.* of this code, or a criminal offense where the judge has made a written finding that the offense was sexually motivated;

(c) *Written agreement.* — Participation in a Military Service Members Court program, with the consent of both the prosecutor and the court, shall be pursuant to a written agreement. This written agreement shall set forth all of the agreed upon provisions to allow the military service member offender to proceed in the court. The offender shall execute a written agreement with the court as to his or her participation in the program and shall agree to all of the terms and conditions of the program, including, but not limited to, the possibility of sanctions or incarceration for failing to comply with the terms of the program.

WV Legislature

§62-16-6. Procedure; mental health and substance abuse treatment; violation; termination.

(a) *Procedure.* — Upon application, the court shall order the offender to submit to an eligibility screening, a mental health and drug/alcohol screening, and an assessment by the Department of Veterans Affairs (VA) Veterans Justice Outreach to provide information on the offender's mental health or military service member status. (c) *Mental health and substance abuse treatment.* — The court may maintain a network of mental health treatment programs and substance abuse treatment programs representing a continuum of graduated mental health and substance abuse treatment options commensurate with the needs of offenders; these shall include programs with the VA, the department, this state, and community-based programs.

(d) *Violation.* — The court may impose reasonable sanctions under the offender's written agreement, including, but not limited to, imprisonment or dismissal of the offender from the program. The court may reinstate criminal proceedings against him or her for a violation of probation, conditional discharge, or supervision hearing, if the court finds from the evidence presented, including, but not limited to, the reports or proffers of proof from the court's professionals that:

the court may dismiss the original charges against the offender, successfully terminate the offender's sentence, permit the offender to enter into a plea agreement to a lesser offense, or otherwise discharge him or her from any further proceedings against him or her in the original prosecution.

(f) Nothing in this article shall be construed to permit a military service member court or any other court or tribunal to enter an order or take any other action that violates any applicable federal law or regulation, including, but not limited to:

(1) The requirements or conditions contained in 23 U.S.C. §164 *et seq.* and 23 C.F.R. §1275 *et seq.*; and
