§6B-3-3b. Conflict of interest.

A lobbyist or a lobbyist's immediate family member may not participate in any decision as a member of a state or county board, council, commission or public service district if the lobbyist may receive direct, personal economic or pecuniary benefit from a decision of that state or county board, council, commission or public service district. The lobbyist's economic or pecuniary benefit must affect him or her directly and not merely as a member of a class.
