A member is not entitled to credit for years of service for any time period during which he or she received disability payments under §7-14D-14 or §7-14D-15 of this code. Except as specifically excluded, years of service include covered employment prior to the effective date. Years of service which are credited to a member prior to his or her receipt of accumulated contributions upon termination of employment pursuant to §7-14D-13 or §5-10-30 of this code, shall be disregarded for all purposes under this plan unless the member repays the accumulated contributions with interest pursuant to §7-14D-13 of this code or had prior to the effective date made the repayment pursuant to §5-10-18 of this code.
