
WEST VIRGINIA CODE CHAPTER 7
ARTICLE 25

WV Legislature

§7-25-1. Short Title.

This article shall be known and cited as the "Resort Area District Act".

WV Legislature

§7-25-2. Findings.

The Legislature finds that:

- (a) West Virginia's resorts and other recreational areas have an important role in the economy of the local areas surrounding their locations.
- (b) West Virginia's resorts and other recreational areas are often located in unincorporated areas and, as a consequence, such areas have less funding available to provide infrastructure and essential services within such areas.
- (c) West Virginia's resorts and other recreational areas derive the major portion of their economic well-being from businesses catering to the recreational and personal needs of persons traveling to or through the area.
- (d) Better infrastructure and provision of essential services to West Virginia's resorts and other recreational areas are likely to increase visits to such areas, which will result in greater economic development and job creation in such areas.
- (e) The state and the public will benefit from granting West Virginia's resorts and recreational areas the ability to have a governing body to provide for the infrastructure and essential services within common areas; which common areas are separate from the profit-making operations of the resorts or recreational areas.
- (f) This article is necessary for the public health, safety and welfare and economic development of West Virginia's resorts and other recreational areas.

A vote of four board members is sufficient to schedule and conduct an election to fill an unexpired board member's term. Any other action of the board taken while one or more board positions are vacant must be unanimously approved by a board which is comprised of at least five active serving board members.

(i) The board shall organize within 30 days following the first election of board members and annually thereafter at its first meeting after January 1 of each year by selecting one of its members to serve as chairman, one to serve as treasurer, and one to serve as secretary. (o) The board shall, by resolution, determine its own rules of procedure, fix the time and place of its meetings, and the manner in which special meeting may be called. The members of the board shall not be personally liable or responsible for any obligations of the resort area district or the board but are answerable only for willful misconduct in the performance of their duties.

(p) The members of the board may serve with reasonable compensation as the board of directors may fix, except where prohibited by law, and shall receive reimbursement for actual and necessary expenses incurred in connection with the performance of their duties.

If the vacancy occurs within the last 365 days of the board member's term, the board shall appoint a replacement who meets the qualifications for the vacant seat. Recommendations for the replacement shall be made by the type of ownership category for the seat vacated. The new board member shall serve out the remainder of the unexpired term and may stand for subsequent election as long as he or she is eligible for the seat. The publication process for an election to fill a vacancy shall be the same as set forth in §7-25-11(c), §7-25-11(d), and §7-25-11(e) of this code, and only those

owners eligible to vote for the board member whose departure from office caused the vacancy shall be eligible to vote to replace the member. Without limiting the foregoing, and by way of example, only owners of improved residential property may vote to fill a vacancy created by the departure from office of a board member elected by that class of owner. Notwithstanding the provisions of this subsection, a vacancy in the office of the board as to a board member elected or appointed as a resort primary operator representative, may be filled by direct appointment of the primary resort operator, rather than by election.
