(a) All county sales and use taxes collected by the Tax Commissioner under this article shall be collected and paid to the credit of each county commission's subaccount in the "County Road Improvement Account" established pursuant to this article.

(b) The credit shall be made to the subaccount of the county commission of the county in which the taxable sales were made and services rendered or taxable uses occurred as shown by the records of the Tax Commissioner and certified by the Tax Commissioner to the State Treasurer, namely, the location of each place of business of every vendor collecting and paying sales and use taxes to the Tax Commissioner without regard to the place of possible use by the purchaser and by every person remitting county transportation use tax to the Tax Commissioner or paying the county's use tax to the Tax Commissioner.

(1) Upon receipt of the requisition, the Auditor shall issue his or her warrant on the State Treasurer for the funds requested and the State Treasurer shall pay the warrant out of the subaccount.

In addition, the payment shall include a refund of amounts erroneously not paid to the subaccount of the county commission and not previously remitted to the county's subaccount during the three years preceding the discovery of the error.

(3) A correction and adjustment in payments described in this subsection due to the misallocation of funds by the person remitting the tax shall be made within three years of the date of the payment error.
