WEST VIRGINIA CODE: §7A-6-2

§7A-6-2. Notice for election.

(a) At least sixty days prior to the election on the question of county consolidation, the governing body of each affected county shall make copies of the proposed charter available to the public.

(b) At least fourteen days prior to the election on the question of county consolidation, the governing bodies of the affected counties shall publish the proposed charter and provide notice of the election, as a Class II legal advertisement, in a newspaper of general circulation in the affected area. The affected counties may share the expense of publication.
