§8-10-1. Powers and duties of mayor.

When not otherwise provided by charter provision or general law, the mayor of every municipality shall be the chief executive officer of such municipality, shall have the powers and authority granted in this section, and shall see that the ordinances, orders, bylaws, acts, resolutions, rules and regulations of the governing body thereof are faithfully executed. He shall have jurisdiction to hear and determine any and all alleged violations thereof and to convict and sentence persons therefor. He shall also, until January 1, 1977, be ex officio a justice and conservator of the peace within the municipality, and shall, within the same, have and exercise all of the powers, both civil and criminal, and perform all duties vested by law in a justice of the peace, except that he shall have no jurisdiction in civil cases or causes of action arising without the corporate limits of the municipality. He shall have, until January 1, 1977, the same power to issue attachments in civil suits as a justice of county has, though the cause of action arose without the corporate limits of municipality, but he shall have no power to try the same and such attachments shall be returnable and be heard before some justice of his county. Upon complaint he shall have authority to issue a search warrant in connection with the violation of a municipal ordinance. Any search warrant, warrant of arrest or other process issued by him may be directed to the chief of police or any member of the police department or force of the municipality, and the same may be executed at any place within the county or counties in which the municipality is located. He shall have control of the police of the municipality and may appoint special police officers whenever he deems it necessary, except when otherwise provided by law, and subject to the police civil service provisions of article fourteen of this chapter if such civil service provisions are applicable to his municipality, and it shall be his duty especially to see that the peace and good order of the municipality are preserved, and that persons and property therein are protected; and to this end he may cause the arrest and detention of all riotous and disorderly individuals in the municipality before issuing his warrant therefor. He shall have power to issue executions for all fines, penalties and costs imposed by him, or he may require the immediate payment thereof, and in default of such payment, he may commit the party in default to the jail of the county or counties in which such municipality is located, or other place of imprisonment within the corporate limits of such municipality, if there be one, until the fine or penalty and costs shall be paid, but the term of imprisonment in such case shall not exceed thirty days. He shall, from time to time, recommend to the governing body such measures as he may deem needful for the welfare of the municipality. The expense of maintaining any individual committed to a county jail by him, except it be to answer an indictment, or, until January 1, 1977, be under the provisions of sections eight and nine, article eighteen, chapter fifty of this code, shall be paid by the municipality and taxed as part of the costs of the proceeding.

§8-10-1a. Authority to hire special counsel; consent to other representation.

Notwithstanding any charter provision to the contrary, the governing body of every municipality shall have plenary power and authority by ordinance to authorize the mayor to employ within the limit of funds available for such purpose, in lieu of or in addition to the municipal attorney or municipal solicitor and any assistant municipal attorneys or assistant municipal solicitors, an attorney or firm of attorneys as special municipal counsel to represent the municipality in connection with any legal matter or matters. The ordinance authorizing such employment shall be the consent on behalf of the municipality to such attorney or firm of attorneys to represent other clients in other legal matters involving such municipality, but at the time of representation of any such other client in any such other legal matter in controversy directly involving such municipality, such attorney or firm of attorneys shall file with the recorder as a public record a statement of disclosure identifying such other client and the nature of the matter in controversy directly involving such municipality.

§8-10-1b. Authority to appoint police chief; reinstating to previous rank.

(a) Unless otherwise provided by charter, the mayor of a Class III city or Class IV town or village that has a paid police department that is not subject to the civil services provisions set out in article fourteen of this chapter, may appoint a chief of police.

(b) A Class III city or Class IV town or village may provide by ordinance whether the individual appointed chief of police who held a position as a member of the paid police department prior to his or her appointment as chief of police shall be reinstated to the officer's previous rank following his or her term as chief of police.

§8-10-2. Municipal court for municipalities.

(a) Notwithstanding any charter provision to the contrary, any city may provide by charter provision and any municipality may provide by ordinance for the creation and maintenance of a municipal court, for the appointment or election of an officer to be known as municipal court judge and for his or her compensation, and authorize the exercise by the court or judge of the jurisdiction and the judicial powers, authority and duties set forth in section one of this article and similar or related judicial powers, authority and duties enumerated in any applicable charter provisions, as set forth in the charter or ordinance. Additionally, any city may provide by charter provision and any municipality may provide by ordinance, that in the absence of or in the case of the inability of the municipal court judge to perform his or her duties, the municipal court clerk or other official designated by charter or ordinance may act as municipal court judge: Provided, That the municipal court clerk or other official designated by charter or ordinance to act as municipal court judge shall comply with the requirements set forth in subsections (b) and (c) of this section, as well as any other requirements that the city by charter provision or the municipality by ordinance may require.

(b) Any person who makes application for appointment to, or who files to become a candidate in any election for municipal judge, shall first submit to a criminal background check, to be conducted by the State Police. The cost of the criminal background check shall be paid by the applicant or candidate. The result of each background check conducted in accordance with this section shall be forwarded to the municipal court clerk or recorder whose duty it is to review the results and confirm the eligibility of the applicant or candidate to serve as a municipal judge. (2) The monthly payment under the payment plan shall be calculated based upon all costs, fines, forfeitures, restitution, or penalties owed within the court, and shall be two percent of the person's annual net income divided by 12, or \$10, whichever is greater: *Provided*, That if this calculation results in a payment plan lasting more than three years, the monthly payments shall be set by dividing the total amount owed by 36.

(3) The court may review the reasonableness of the payment plan, and may on its own motion or by petition, waive, modify, or convert the outstanding costs, fines, forfeitures, restitution, or penalties to community service if the court determines that the individual has had a change in circumstances and is unable to comply with the terms of the payment plan.

The clerk of the county commission shall record and index these abstracts of judgment without charge or fee to the prosecuting attorney and when recorded, the amount stated to be owed in the abstract constitutes a lien against all property of the defendant: *Provided,* That when all the costs, fines, fees, forfeitures, restitution, or penalties for which an abstract of judgment has been recorded are paid in full, the clerk of the municipal court shall notify the prosecuting attorney of the county of payment and provide the prosecuting attorney with a release of judgment, prepared in accordance with the provisions of §38-12-1 of this code, for filing and recordation pursuant to the provisions of this subdivision. Upon receipt from the clerk, the prosecuting attorney shall file the release of judgment in the office of the clerk of the county commission in each county where an abstract of the judgment was recorded.
