WEST VIRGINIA CODE: §8-15-16A

§8-15-16a. Apprenticeship programs.

Any paid municipal fire department may have an apprenticeship program. If a paid municipal fire department has an apprenticeship program and the program has a final apprenticeship examination, an apprentice shall be terminated from employment after three unsuccessful attempts to pass the final apprenticeship examination. The provisions of this section apply to apprentices hired after March 31, 2003.
