The contract shall provide for reasonable methods and assurances so that the provider of water facilities will be protected and held harmless from claims and damages when water service is discontinued in error or in violation of the rights of the user through the fault of the municipality providing sewer facilities and making the demand for discontinuance of water service to the user of such sewer facilities. Any contract made for this purpose shall have the approval of the Public Service Commission prior to its execution and performance. Any disconnection of water service must comply with all rules, regulations and orders of the Public Service Commission.

(b) Whenever any rates and charges for services or facilities furnished remain unpaid for a period of thirty days after the same become due and payable, the user of the services and facilities provided shall be delinquent and the user shall be held liable at law until such time as all such rates and charges are fully paid.

the owner has contracted directly with the municipality to purchase such services or facilities.

(d) Municipalities are hereby granted a deferral of filing fees or other fees and costs incidental to the bringing and maintenance of an action in magistrate court for the collection of the delinquent rates and charges. (e) No municipality may foreclose upon the premises served by it for delinquent rates and charges for which a lien is authorized by this section except through the bringing and maintenance of a civil action for such purpose brought in the circuit court of the county wherein the municipality lies. In every such action, the court shall be required to make a finding based upon the evidence and facts presented that the municipality had exhausted all other remedies for the collection of debts with respect to such delinquencies prior to the bringing of such action. In no event shall foreclosure procedures be instituted by any municipality or on its behalf unless such delinquency has been in existence or continued for a period of two years from the date of the first such delinquency for which foreclosure is being instituted.
