## **§8-29A-7. Exemption from taxes; payment for portion used as industrial park.**

The authority shall be exempt from the payment of any taxes or fees to the state or any subdivisions thereof or any municipalities or to any officer or employee of the state or of any subdivision thereof or of any municipalities. The property of the authority shall be exempt from all local and municipal taxes. Bonds, notes, debentures and other evidence of indebtedness of the authority are declared to be issued for a public purpose and to be public instrumentalities, and, together with interest thereon, shall be exempt from taxes.

It shall be the duty of the county assessor on July 1, of each year to ascertain what portion of the real and personal property of the authority, if any, is devoted to use as an industrial park and to appraise such property as if taxable. The assessor shall likewise determine the tax which would be levied upon such property if it were taxable. On August 1, of the year following such determination and February 1 thereafter, the authority shall pay unto the sheriff of the county a sum of money equal to that which would have been due if the property were taxable, which sums shall be distributed by the sheriff as if such sums were tax receipts.
