

WEST VIRGINIA CODE: §8-6-4A

§8-6-4a. Annexation without election for municipalities in counties that have an adopted countywide zoning ordinance which includes urban growth boundaries.

(a) This section applies to municipalities in counties that have adopted a countywide zoning ordinance with designated urban growth boundaries and, prior to January 1, 2009, have adopted local impact fees pursuant to the provisions of §7-20-1 *et seq.* of this code that want to annex additional property without an election.

(b) For purposes of this section only:

(1) "Contiguous" means property that is next to, abutting, and having a boundary that is coterminous with the municipality's designated urban growth boundary. The length of a street, highway, road, or other traffic or utility easement, streams, rivers, or other natural topography are not to be used to determine if a property is contiguous: *Provided*, That the width of a street, highway, road, or other traffic or utility easement, streams, rivers, or other natural topography may be used to determine contiguous boundaries.

(2) "Urban growth boundary" means a site-specific line, delineated on a zoning map or a written description in a zoning ordinance identifying an area around and outside the corporate limits of a municipality within which there is a sufficient supply of developable land within the boundary for at least a prospective 20-year period of municipal growth based on demographic forecasts and the time reasonably required to effectively provide municipal services to the identified area. The urban growth boundary may be called by any name chosen by the county commission, but the word "boundary" shall be used in the name of the boundary. The boundary shall be established by the county commission in agreement with each individual municipality regarding that municipality's boundary. If the county commission and municipality cannot agree upon the location or size of the boundary, either party may file for declaratory judgment relief in the circuit court which shall submit the dispute to mediation or arbitration prior to final resolution by the circuit court. Once a county has adopted an urban growth boundary by its designation on an adopted county zoning map, the gross area inside the boundary may not be reduced without written consent of the municipality. The county commission shall review each urban growth boundary at a period not to exceed 10 years or upon request of the individual municipality.
